NYS GAMING COMMISSION

Request for Quotations for Certified Public Accounting Services – C202012

Amendment 1 –

Answers to Bidder’s Questions Received 11/18/20

Notice to all Potential Bidders:

Please find below the NYS Gaming Commission’s **answer** to the one question received for the above-mentioned Request for Quotations.

#	RFQ Section	Bidder Question	NYS Gaming Commission’s Answer
1	Attachment 2b	In the RFQ attachment 2b it asks for quote for the AUP per game x 5 games. Looks like this may be in error since there is only one game as of now under the scope of the AUP. Is that correct? There is only one game to provide a quote on.	Regardless of the number of games as of now, please respond to the RFQ bidding on 5 games – payment will be made based on actual games that AUPs are performed on.

Note: All requirements and conditions remain as indicated in the RFQ.
