Submit as Exhibit VI.K. a description of any relationship or affiliation of the Applicant, the Manager or any of their respective Affiliates that currently exists or existed in the past five (5) years with any member, employee, consultant or agent of the Board or the Commission that is a conflict of interest or may be perceived as a conflict of interest during the RFA process. Further, if any such conflict should arise during the term of the RFA process, the Applicant shall notify the Board, in writing, of such conflict.

Tioga Downs has not identified any relationships or affiliations that are conflicts of interest or could be perceived conflicts of interest.

However, Tioga Downs acknowledges that Jeffrey Gural, Chairman, Chief Executive Officer and indirect majority owner of Tioga Downs, made political contributions to the campaigns of William C. Thompson, Jr., former New York State Gaming Facility Location Board Member, during Mr. Thompson's four New York City-wide campaigns for City Comptroller and Mayor over the past twelve years. All political contributions were properly recorded and are publicly available.
