
NOTICE TO ALL LICENSEES

New Section 912 of the Racing, Pari-Mutuel, Wagering and Breeding Law, "Reciprocity of Licenses," requires that the Racing and Wagering Board (the Board) recognize and enforce all license denials, suspensions and revocations imposed by racing and gambling authorities of other jurisdictions, including states, U.S. territories, and Canadian provinces.

A licensee may apply for a hearing and may show cause as to why the penalty should not be enforced in NY. Application for a hearing does not create an automatic right to a hearing or stay. The grant of such hearing or stay is based upon the discretion of the Board. The Application for Hearing form can be obtained at each Board Track Office, via the Board's website (<http://www.racing.state.ny.us>) or by contacting the Main Licensing Office at (518) 395-5400.
