provided that the public can view or listen to such proceeding and that such meetings are recorded and later transcribed. Accordingly this commission meeting is being conducted in conformance with such allowance.

8

00:01:03.359 --> 00:01:07.109

And we are recording today's meeting for transcription as required the secretary. Will you please call the roll?

10

00:01:13.379 --> 00:01:17.489

John Crotty? Yeah.

11

00:01:17.489 --> 00:01:21.510

Peter Moschetti here John Poklemba. Here.

12

00:01:21.510 --> 00:01:25.439

Sure, Christopher Riano. Here

13

00:01:25.439 --> 00:01:28.769

Barry Sample. Here

14

00:01:28.769 --> 00:01:32.189

Jerry Skurnick. Here

15

00:01:32.189 --> 00:01:42.180

Miss secretary, could you please have the record reflect that a quorum of qualified members or present, not enabling the transaction of business.

16

00:01:42.180 --> 00:01:45.540

Chairman Sample.

17

00:01:47.519 --> 00:01:53.969

I recommend that Peter Moschetti be the chair for this session. I am operating remotely.

18

00:01:53.969 --> 00:02:04.379

And if no, one has any objections, I think, for continuity, it's best that Peter chairs session since he is with Rob and agency staff.

19

00:02:06.719 --> 00:02:10.020

I'm in.

Moschetti:

00:02:10.020 --> 00:02:16.590

1st matter consideration of the minutes for the meeting of November 8th, 2021.

21

00:02:16.590 --> 00:02:27.629

Um, I have been provided the minutes have been provided to members in advance at this time. I'd like to ask the members if there are any edits corrections or amendments.

22

00:02:28.830 --> 00:02:34.830

Hearing none, Miss Secretary please let the record reflect that the minutes were accepted.

23

00:02:34.830 --> 00:02:45.479

Now, 2nd matter is Rulemaking. New York state racing to wagering and pari-mutuel and breeding Law section. 104.19 authorizes the commission.

24

00:02:45.479 --> 00:02:55.020

To promulgate rules and regulations that it deems necessary to carry out its responsibility as a result the commission will from time to time propagate rules.

25

00:02:55.020 --> 00:03:02.490

And rule amendments, pursuant to the state administrative procedure act. Today. We have 1 rule for adoption.

26

00:03:02.490 --> 00:03:06.030

And 6 proposals for consideration.

Williams:

27

00:03:06.030 --> 00:03:19.409

For commission consideration is adoption of regulations to establish discretion to require a thoroughbred jockey to serve a suspension for a riding violation at the same track, which the violation occurred.

28

00:03:19.409 --> 00:03:25.050

A notice of proposed rulemaking was published in the September 15th 2021 state register.

29

00:03:25.050 --> 00:03:33.360

Meaning that the public comment period expired on November 15th 2021 1, public comment was received.

30

00:03:33.360 --> 00:03:44.430

This from the jockey guild, the guild poses codifying this penalty as a regular policy as a regulation. Instead they suggest that hearing requests.

31

00:03:44.485 --> 00:03:51.895

Brought in bad faith should subject to jockey to sanctions. If the appeal is found to be brought frivolously.

32

00:03:52.764 --> 00:04:07.555

The jockey's guild also suggests that the regulation be amended to allow jockeys who are suspended for minor riding violations for 10 days or less to be permitted to ride in designated races during the suspension serving a day of the suspension at a

33

00:04:07.555 --> 00:04:10.014

later time to make up for the designated race day.

34

00:04:10.349 --> 00:04:15.419

The guild suggests that such a policy may decrease the number of jockey challenges.

35

00:04:15.419 --> 00:04:26.519

And the alternatives, the jockeys guild states, that if the proposed rule is adopted, it should retain the provision allowing for Stewart discretion whether a penalty should be served at the same race track.

36

00:04:27.264 --> 00:04:41.153

Staff notes that commission rule 4550.11 contains a provision to assess an additional penalty for a frivolous appeal, which is defined as 1 commenced in bad faith, or for purposes of delay or as 1. that is unreasonable.

37

00:04:41.574 --> 00:04:42.593

And without substance or merit.

38

00:04:45.778 --> 00:04:52.048

That current rule puts the burden on the commission to prove frivolous at an additional hearing.

39

00:04:52.048 --> 00:05:01.559

The staff believes that this has created an insufficient deterrent for Jockey appeals taken for the purpose of delaying serving the suspension.

40

00:05:01.559 --> 00:05:06.959

Due process is observed in any requested riding infraction here.

41

00:05:06.959 --> 00:05:11.608

This rule would not change the commission's burden to establish a rule violation.

42

00:05:11.608 --> 00:05:16.738

Once a violation is found the proposed rule would create the discretion to direct.

43

00:05:16.738 --> 00:05:21.869

When the penalty is served, furthering the integrity of each race meet.

44

00:05:21.869 --> 00:05:32.579

Staff believes that allowing the jockeys to race in more lucrative designated race days during the suspension would diminish the return to careless riding and other crack infractions.

45

00:05:32.579 --> 00:05:36.569

Stock recommends that the commission adopt this rule making.

Moschetti

46

00:05:36.569 --> 00:05:49.769

Do the commissioners have any questions on the adoption of a rule permitting discretion to require a thoroughbred jockey to serve as suspension for a riding violations at a track where the violation occurs?

47

00:05:51.209 --> 00:05:54.298

Hearing none now, I have a motion to adopt this rule.

48

00:05:54.298 --> 00:05:58.559

So moved the 2nd.

49

00:05:58.559 --> 00:06:04.709

4th, is there any discussion on the motion.

50

00:06:06.569 --> 00:06:10.139

Hearing none all in favor.

51

00:06:10.139 --> 00:06:13.889

All right any opposed.

52

00:06:13.889 --> 00:06:21.713

The motion carries for commission consideration or amendments to the regulation, governing licensing requirements for a jockey's agent.

53

00:06:22.314 --> 00:06:32.814

This proposal would remove the requirement that a person applying for a license as a jockey's agent had been licensed and has acted as an exercise person, apprentice jockey or jockey.

54

00:06:33.238 --> 00:06:35.783

Assistant trainer or trainer in this,

55

00:06:35.783 --> 00:06:48.774

or in another jurisdiction for at least 1 year the proposed changes would instead allow the Stewards or another commission designee to determine whether an applicant is qualified by reason of experience background and knowledge.

56

00:06:49.584 --> 00:06:54.894

The proposed amendments to the rule would be consistent with the requirements for an applicant for Jockey agents,

57

00:06:54.894 --> 00:06:59.783

license contained in the Model rules of racing issued by the association of racing commissioners,international,

59

00:07:01.163 --> 00:07:07.434

the Model rules of racing do not require a container a requirement to have been licensed.

60

00:07:07.738 --> 00:07:20.189

In another capacity for at least a year staff recommends that the commission authorize this proposed rule maker. Are there any questions on the proposal of an amendment to the jockey agent qualification rule?

61

00:07:20.189 --> 00:07:26.249

Well, hearing none may have a motion to propose this rule.

62

00:07:27.478 --> 00:07:30.809

So move some of 2nd.

63

00:07:30.809 --> 00:07:34.889

Yeah, good.

64

00:07:34.889 --> 00:07:41.369

Any discussion on the motion hearing none all in favor.

65

00:07:41.369 --> 00:07:45.389

Aye, aye any opposed.

66

00:07:46.619 --> 00:07:54.119

The motion carries for commission consideration or amendments to the current thoroughbred pick 5 rule.

67

00:07:54.444 --> 00:08:06.084

This proposed rulemaking would amend commission rule 4011.25 to allow each thoroughbred race track the option of carrying over 100% of the net pool, or carrying over 75% of the net pool and paying at a consolation of 25%.

68

00:08:09.329 --> 00:08:17.788

Prior written approval of the commission would be required before racetrack could change the method of apportioning. a pick, 5 pool.

69

00:08:17.788 --> 00:08:26.369

This proposal is similar to rules in effect in other jurisdictions such as California, Florida, Kentucky, and New Jersey.

70

00:08:26.369 --> 00:08:30.744

Which mirror the Model rules of racing issued by the association of race and commissioners,

71

00:08:30.744 --> 00:08:34.854

international staff believes that the proposed changes to the pick,

72

00:08:34.854 --> 00:08:44.514

5 rule would give tracks more flexibility and discretion to remain competitive on a regional basis and recommends that the commission authorize the proposal.

73

00:08:44.788 --> 00:08:51.989

Of this rulemaking, do any of you have questions on the proposal of an amendment to the thoroughbred pick 5 rule?

74

00:08:53.489 --> 00:08:57.479

Hearing none yeah. Now I have a motion to propose this rule.

75

00:08:57.479 --> 00:09:00.538

Moved 2nd.

76

00:09:00.538 --> 00:09:08.399

2nd, is there any discussion on the motion hearing none all in favor.

77

00:09:08.399 --> 00:09:11.639

Hi all right. All right.

78

00:09:11.639 --> 00:09:16.109

Opposed: the motion carries.

79

00:09:16.109 --> 00:09:25.528

For commission consideration, or amendments to the current thoroughbred and standard bred, pick 4 rules regarding consolation pools and carryovers.

80

00:09:25.528 --> 00:09:37.408

This proposed rulemaking would amend commission rules for 011.24 and 422.46 to allow a thoroughbred and standard red racetrack.

81

00:09:37.408 --> 00:09:41.489

The option of offering a consolation payout for pic, 4 wagers.

82

00:09:41.489 --> 00:09:52.979

The proposed rule making would allow tracks to either carry over 100% of the net pool, or carry over 75% of the net pool and payout a consolation of 25%.

83

00:09:52.979 --> 00:10:00.629

Prior written approval of the commission would be required before a track, could change the method of a portioning the pick plot for pool.

84

00:10:00.629 --> 00:10:03.808

These changes would mirror the proposed changes.

85

00:10:03.808 --> 00:10:07.918

To the thoroughbred pick 5 rule, which were just considered.

86

00:10:07.918 --> 00:10:11.278

And mirror the current thoroughbred pick 6 rule.

87

00:10:11.278 --> 00:10:16.649

This proposal is similar to rules already in effect in other jurisdictions, such as Florida.

88

00:10:16.649 --> 00:10:28.168

Kentucky and New Jersey, but staff believes that the proposed changes to the pic, 4 rule would give race tracks more flexibility and discretions remain competitive on a regional basis.

89

00:10:28.168 --> 00:10:33.328

Staff recommends that the commission authorized this proposed rulemaking.

90

00:10:33.328 --> 00:10:37.349

Are there any questions on the proposal amendment?

91

00:10:37.349 --> 00:10:41.729

To the thoroughbred and standard bread pick 4 rules.

92

00:10:41.729 --> 00:10:47.759

Hearing none may I have a motion to propose this rule.

93

00:10:47.759 --> 00:10:51.028

So.

94

00:10:51.028 --> 00:10:56.578

4th.

95

00:10:57.958 --> 00:11:02.548

Any discussion on this motion hearing none.

96

00:11:02.548 --> 00:11:06.538

All in favor aye.

97

00:11:06.538 --> 00:11:09.719

Aye, aye any opposed.

98

00:11:10.739 --> 00:11:18.749

The motion carries. For commission consideration are amendments to the jockey equipment, weighing rules in thoroughbred racing.

99

00:11:18.749 --> 00:11:26.339

This proposal would rename commission rule. 403.32 items weighed with Jockey

100

00:11:26.339 --> 00:11:31.918

From weighing out and would eliminate jockeys being weighed with muzzles.

101

00:11:31.918 --> 00:11:41.879

Martingales and breast plates. This proposal originates with our state stewards. Who have noted that race tracks in California, Florida, Kentucky.

102

00:11:41.879 --> 00:11:46.979

New Jersey, Pennsylvania, and Texas do not have jockeys weighing out with these items.

103

00:11:46.979 --> 00:11:55.859

Staff recommends that the commission authorize the proposal of this rulemaking. Does anyone have questions on this proposal?

104

00:11:57.418 --> 00:12:00.568

Hearing none may have a motion to propose this rule.

105

00:12:00.568 --> 00:12:04.859

So.

106

00:12:04.859 --> 00:12:08.458

6th.

107

00:12:08.458 --> 00:12:12.989

Any discussion on the motion.

108

00:12:12.989 --> 00:12:17.519

Hearing none all in favor.

109

00:12:17.519 --> 00:12:21.958

Aye, aye any opposed.

110

00:12:21.958 --> 00:12:25.349

The motion carries.

111

00:12:25.349 --> 00:12:34.198

For commission consideration is a proposed rulemaking to establish a standard time period for requesting a hearing on horse racing license determinations.

112

00:12:34.198 --> 00:12:37.769

Set forth acceptable service methods for the commission.

113

00:12:37.769 --> 00:12:42.418

And set forth, the duty of licenses to keep addresses updated for the commission.

114

00:12:42.418 --> 00:12:47.879

New York race and pari-mutuel wagering and breeding law section 321.

115

00:12:47.879 --> 00:12:54.208

Provides that an applicant for a harness racing license must request the hearing to challenge or denial within 10 days.

116

00:12:54.208 --> 00:13:02.308

After notice of the licensing decision, but there are no similar requirements for other types of racing licenses other than quarter horse racing.

117

00:13:02.308 --> 00:13:10.619

Which is not currently operating. This proposal would administratively set consistent time periods for when a license hearing may be requested.

118

00:13:10.619 --> 00:13:14.729

For all racing licensees that is 10 days.

119

00:13:14.729 --> 00:13:19.619

From receipt or 15 days from mailing if the notice has been sent by 1st class mail.

120

00:13:19.619 --> 00:13:23.788

Once requested a hearing date would be set for a later date.

121

00:13:23.788 --> 00:13:27.479

And the agency adjudication process would take place.

122

00:13:27.479 --> 00:13:32.308

Acceptable methods of service for all commission matters would also be prescribed.

123

00:13:32.308 --> 00:13:39.629

Does anyone have any questions on the proposals or standardized racing license, hearing request and service methods?

124

00:13:39.629 --> 00:13:44.399

Hearing none may have a motion to propose this rule.

125

00:13:44.399 --> 00:13:47.399

So moved 2nd.

126

00:13:47.399 --> 00:13:52.979

4th does anyone which discussion on the motion.

127

00:13:52.979 --> 00:13:58.589

All in favor.

128

00:13:58.589 --> 00:14:02.188

Aye, aye any opposed.

129

00:14:02.188 --> 00:14:05.519

The motion carries.

130

00:14:05.519 --> 00:14:13.109

The final rule for consideration today is an amendment to the regulations, governing mandatory coupling of entries and thoroughbred racing.

131

00:14:13.109 --> 00:14:22.078

Commission rules generally require coupling of entries in certain circumstances that bettors may perceive to present a conflict of interest among competitors in the event.

132

00:14:22.078 --> 00:14:28.438

Including these types of requirements is when a jockey has a familial or other types of relationships with each other.

133

00:14:28.438 --> 00:14:42.509

Or, with trainers, in the race, the history of the rule is unclear, but it appears that the rule might have been intended to address concerns when, with spouses testifying against 1, another, and an attempt to mitigate bettors' concerns.

134

00:14:42.509 --> 00:14:45.568

That a party may not extend maximum effort.

135

00:14:45.568 --> 00:14:56.188

When competing against a related party last year, the Senate and the Assembly passed legislation that would have prohibited the commission from requiring a couple of entries and thoroughbreds.

136

00:14:56.188 --> 00:14:59.729

Horse races when a horse is trained or written by a spouse.

137

00:14:59.729 --> 00:15:03.509

Parent issue, or a member of the household of another Jockey.

138

00:15:03.509 --> 00:15:11.308

In the race. Governor. Kathy Hochul vetoed the bill, but directed the commission to review the continued need for the mandatory coupling.

139

00:15:11.308 --> 00:15:24.869

And circumstances under which a requirement may be relaxed and to seek input from industry stakeholders and the wagering public regarding the

topic, following the governor's direction commission staff, conducted a public hearing.

140

00:15:24.869 --> 00:15:30.778

On January 11th, 2022, the hearing received input from the Assembly sponsor.

141

00:15:30.778 --> 00:15:34.798

A racing law, scholar and industry stakeholders.

142

00:15:34.798 --> 00:15:38.428

On both the jockey coupling issue and with the general topic.

143

00:15:38.428 --> 00:15:42.389

Of potential conflicts in sports events upon which wagering occurs.

144

00:15:43.528 --> 00:15:47.458

1 comment that resonated with staff was made by William Gotimer.

145

00:15:47.458 --> 00:15:52.889

Who noted that the New York rules sought to protect the public from a particularized harm.

146

00:15:52.889 --> 00:16:01.408

Yet the state allowed New York patrons to wager on simulcast of races that allowed the exact behavior prohibited in state.

147

00:16:01.408 --> 00:16:10.198

Accordingly after consideration of views expressed at the hearing and noting that the racing industry is trending towards the national uniformity of rules.

148

00:16:10.198 --> 00:16:18.928

Staff recommends removing the requirement to couple entries with jockeys with a relationship among them, or other participants in the race.

149

00:16:18.928 --> 00:16:28.828

The commission steward would retain the discretion to require coupling in any circumstances in which the steward concludes Coupling is necessary in the public interest.

150

00:16:28.828 --> 00:16:36.119

Which should continue to protect the interest of the wagering, public and unusual or unforeseen in circumstances in a particular race.

151

00:16:36.119 --> 00:16:41.129

In addition to making this recommendation staff notes that review and consideration.

152

00:16:41.129 --> 00:16:47.009

Of how to address misuse of confidential, non-public inside information in all contexts.

153

00:16:47.009 --> 00:16:51.538

Of wagering activity continues, and we will report on that at a future date.

154

00:16:51.538 --> 00:16:57.778

165

00:17:43.259 --> 00:17:49.138

Activities and their participants, I think the rules and the conduct of racing are similar.

166

00:17:49.138 --> 00:17:56.489

For instance, the pick 4 pick 5 and pick 6 rules are mostly consistent between states.

167

00:17:56.489 --> 00:18:01.499

But there are permutations state to state with treatment of scratches.

168

00:18:01.499 --> 00:18:07.858

Of course, surface changes and carry over. This can cause confusion among the many race.

169

00:18:07.858 --> 00:18:11.068

patrons who wager on interstate.

170

00:18:11.068 --> 00:18:20.489

simulcasting, I appreciate the work of HISA, but recommend that they seek the authority to standardize the conduct.

Of racing activity, so next we have adjudication.
