Through and off, because they have a world of experience and wisdom that I've come to really rely on and respect their great service for the state and the capacities they had prior to serving on the commission.

146

00:21:24.059 --> 00:21:38.844

And they were wonderful members to serve with and really created a model of how to think of what goes on at this brand new commission. At the time. We were sort of all finding our way through a weird origin of how things go. And there was a lot of.

147

00:21:39.534 --> 00:21:52.914

Not really gray areas, but somewhat undefined and John and Barry both offer great wisdom as to how to think about things how to handle things and ultimately were great stewards for the state.

148

00:21:52.914 --> 00:22:07.854

And the commission of of what this group has done through, some very sort of tumultuous and could have been significantly more difficult times, if not for their hard work and wisdom in terms of what we should be thinking about as a group what's in the best interest of the state,

149

00:22:07.884 --> 00:22:15.204

and really how what we're doing is best serving the people who we were put here to represent and to.

150

00:22:16.704 --> 00:22:24.864

Manage in its own way, and there were some ups and downs and those guys were, they had seen it all already twice,

151

00:22:24.864 --> 00:22:32.154

I think and they offered a lot of wisdom that I think will miss in many different ways.

152

00:22:32.454 --> 00:22:40.404

And as we get going through this new process for the and thinking about new casinos here in New York, you know, I'm, I'm hoping to be able to lean on.

153

00:22:40.404 --> 00:22:51.714

Some of that was the best things go on and times go on, because for sure they'll have a viewpoint worth listening to or some facts and figures worth understanding. We'll miss them. Both. They serve with great distinction.

154

00:22:51.714 --> 00:22:56.034

And their time here should be noted and deployed by all because.

155

00:22:56.999 --> 00:23:09.449

They did such a masterful job at at lending, real credibility to this organization and to our processes that we were beyond the approach the entire time. I don't know that there was.

156

00:23:09.449 --> 00:23:22.409

A single story that was against us, or an action that worked for us there's some whining here and there, but overall it's a tenure. They

should be very proud of. I'm very proud to serve with them and they will be very best here.

157

00:23:22.409 --> 00:23:29.849

Thank you permission anybody else wanted to make I agree with John. They were always the voice of reason. Yeah. Uh.

158

00:23:29.849 --> 00:23:35.099

I check in with both both Commission, machete and commission necrotic.

159

00:23:36.054 --> 00:23:50.874

Constantly gentleman to always yeah. Except, you know, there was a couple of things John, at 1 point had to be convinced. The gaming commission had a box at the city field and I saw that 1 of the, the playoff games for the best that he said.

160

00:23:50.934 --> 00:24:00.474

Yeah. But the commission box go wow. I don't know about it. You never knew with Johnny was always take it through a curveball at any moment.

161

00:24:00.474 --> 00:24:14.124

So I was wondering why it was never referred to me particularly now. What do you think he's doing now? That he's not here so thank you. Thank you for this required. Thank you.

162

00:24:15.174 --> 00:24:17.664

For your work. I know that the.

163

00:24:18.509 --> 00:24:27.269

I would ask the executive director, make sure that those that transcribed and and the.

164

00:24:27.269 --> 00:24:32.579

Incentives to commissioners so that they can keep their of the.

165

00:24:32.579 --> 00:24:36.869

Esteemed fellow colleagues have, uh.

166

00:24:36.869 --> 00:24:41.039

Tell them and their thanks for their service and the people in the state of New York.

167

00:24:41.039 --> 00:24:48.899

Um, do any of the commissioners have any items for consideration.

168

00:24:48.899 --> 00:24:56.459

Hearing none traditionally met on the 4th, Monday of each month, which would be.

169

00:24:56.459 --> 00:25:01.109

The 25th for planning purposes. Secretary Buckley.

170

00:25:01.109 --> 00:25:04.649

Will be in contact considered availability.

171

00:25:04.649 --> 00:25:08.069

172

00:25:08.069 --> 00:25:13.979

173

00:25:13.979 --> 00:25:16.680
