PART 1 – GENERAL INFORMATION

1.1 INTRODUCTION

The New York State Gaming Commission (the “Commission”), on behalf of the State of New York is issuing this Request for Quotations (“RFQ”, including any amendments to the Request for Quotation prior to award of a Contract) to solicit Quotations to provide Certified Public Accounting Services (“CPA”) for the examination of financial statements and performance of procedures agreed upon for multijurisdictional lottery games (“Agreed Upon Procedures”). Part 3 of this document further describes the required services.

This procurement opportunity is limited to New York State small businesses, businesses certified pursuant to Article 15-A of the New York State Executive Law, and businesses certified pursuant to Veterans’ Services Law Article 3.

The term of the Contract will be March 1, 2024 through February 28, 2029 as defined in Section 2.5 of this RFQ.

One (1) award will be made as a result of this solicitation.

1.2 BACKGROUND INFORMATION

In November 1966, a constitutional amendment was approved by a majority of New York State voters which established the New York Lottery (the “Lottery”). In February 2013, the Lottery merged with the New York State Racing & Wagering Board to form the Commission under adoption of Chapter 60 of the Laws of 2012 as part of the FY 2012-2013 Enacted State Budget. The Commission oversees and regulates six gaming and racing programs, including Lottery, Video Lottery, Horse Racing, Charitable Gaming, Indian Casino Gaming, and Commercial Casino Gaming.

While the Commission regulates all gaming activity in the State, it only operates and administers the Lottery and Video Lottery programs which are accounted for as an enterprise fund of the State (“Lottery Enterprise Fund”). The Commission prepares financial statements to summarize these two programs with all net proceeds benefitting aid to education. The statements are prepared in conformance with generally accepted accounting principles (“GAAP”) and are audited in accordance with generally accepted auditing standards (“GAAS”). The Commission requires that the financial statements be audited annually by an independent certified public accounting firm.

1.3 MINIMUM QUALIFICATIONS

Any Bidder submitting a Quotation in response to this RFQ must meet the minimum qualifications listed below. **Quotations not meeting these qualifications will not be considered.**

Subcontractors may not be used to meet the Minimum Qualifications.

Minimum Qualifications:

- Be a Certified Public Accounting firm that is in good standing with the New York State Board for Accountancy, or with the State Board for Accountancy where licensed;
- Be registered to practice public accounting in New York State;
- Have demonstrated experience auditing the financial statements prepared on a GAAP basis serving clients in state government within the last five years, including audits of entities utilizing third party service providers where such third parties provide Service Organization Control reports (Type II);

1.9 PROCUREMENT LOBBYING RESTRICTIONS

As required by the New York State Procurement Lobbying Law (New York State's State Finance Law sections 139-j and 139-k), this RFQ includes and imposes certain restrictions on communications between the Commission and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest solicitation of offers through final award and approval of the resulting Contract by the Commission, the Office of the New York State Attorney General ("OAG"), and the Office of the New York State Comptroller ("OSC") ("restricted period") to Commission staff other than Designated Contacts unless the contact is permitted by the statutory exceptions set forth in New York State's State Finance Law section 139-j(3)(a). Designated Contacts are identified above in Section 1.8 of this RFQ.

Commission employees are permitted to communicate with Bidders concerning this RFQ only under circumstances described in the New York State Procurement Lobbying Law. Any Bidder causing or attempting to cause a violation or circumvention of those requirements may be disqualified from further consideration for selection.

Commission employees are required to obtain certain information when contacted during the "restricted period" and to determine the responsibility of the Bidder pursuant to sections 139-j and 139-k of New York State's State Finance Law. A violation can result in a determination of non-responsibility, which can result in disqualification for a contract award. In the event of two determinations within a four-year period, a Bidder will be debarred for a period of four years from obtaining a governmental procurement contract award. Further information about these requirements can be found at: <http://www.ogs.ny.gov/acpl>.

The Commission reserves the right, in its sole discretion, to terminate the Contract in the event that the Commission determines that the certification filed by the Bidder in

accordance with New York State's State Finance Law section 139-k was intentionally false or intentionally incomplete. Upon such determination, the Commission may exercise its termination right by providing written notification to the Bidder in accordance with the written notification terms of the Contract.

The BIDDER/OFFEROR DISCLOSURE/CERTIFICATION FORM, Appendix C, must be completed and submitted with the Bidder's response.

1.10 CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

Each firm must submit a signed and notarized Confidentiality and Non-Disclosure Agreement, incorporated into this RFQ as **Attachment 3**, in order to receive specified Exhibits listed in Section 1.5 of this RFQ. These Exhibits contain confidential information and will only be issued to Bidders who submit the Confidentiality and Non-Disclosure Agreement. These Exhibits will be password protected and sent via email. Passwords will be emailed separately to the contact person designated by the Bidder. Exhibits may assist in the preparation of quotations, but failure to submit the Confidentiality and Non-Disclosure Agreement will not disqualify a bidder.

1.11 QUESTIONS AND INQUIRIES

Questions from Bidders regarding this RFQ must be submitted via electronic mail to Stacey.Relation@gaming.ny.gov and Alysan.Bowers@gaming.ny.gov. If questions are provided via an attachment to electronic mail, the questions should be provided in Microsoft Word format. **Neither faxed nor telephoned questions are acceptable.**

Responses to all questions, and any changes to the RFQ resulting from such questions, will be communicated via published addenda, which will be posted to the Commission's website.

A **Bidder Acknowledgement of Addendum Form, Attachment 1**, will be provided with each addendum. Bidders are required to include a signed **Bidder Acknowledgement of Addendum Form** with their respective quotations.

1.12 FORM OF CONTRACTUAL AGREEMENT

The successful applicants will be expected to sign a contract with the Commission. The final contract will be in the form incorporated into the RFQ as **Appendix B** (the "Contract"), or as revised through the RFQ amendment process.

Appendix A, Standard Clauses for New York State Contracts, this RFQ, and the Bidder's Quotation submitted in response to the RFQ, are incorporated into the Contract. The Contract will become binding and effective after approval by the Commission, the OAG, and the OSC.

Every successful applicant responding to this RFQ must include in its response a signed Contract in the form attached as **Appendix B**. Signing the Contract Form and submitting it as part of the response serves as acknowledgment and agreement to the terms of the Contract if deemed the Successful Bidder under the RFQ process. **The Commission does not intend to negotiate any changes in the provisions of the Contract following the receipt of Quotations.** Therefore, any exception to the Contract must be raised in a Bidder question submitted to the Commission pursuant to the Schedule and in accordance with the Question and Answer process set forth in this RFQ. **Failure to comply with this requirement will deem the Quotation non-responsive.**

1.13 NON-COLLUSIVE BIDDING REQUIREMENT

In accordance with section 139-d of New York State's State Finance Law, if the Contract is awarded based upon the submission of a Quotation, the Bidder must warrant, under penalty of perjury, that its Quotation was arrived at independently and without collusion aimed at restricting competition. Each Bidder must further warrant that, at the time the Bidder submitted its Quotation, an authorized and responsible person executed and delivered to the Commission a Non-Collusive Bidding Certification on Bidder's behalf.

The Non-Collusive Bidding Certification form, Appendix D, must be completed and submitted with the Quotation.

1.14 NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE

Bidder agrees to fully and accurately complete the New York State Vendor Responsibility Questionnaire ("Questionnaire"), which is available online at:

<https://www.osc.state.ny.us/state-vendors/vendrep/file-your-vendor-responsibility-questionnaire>. Bidders are encouraged to complete the online form, as it will expedite Contract approval. If the Bidder does not have an online Questionnaire that is current and certified, the Bidder must complete the hardcopy **New York State Vendor Responsibility Questionnaire, Appendix E**. The Bidder acknowledges that the State's execution of the Contract will be contingent upon the Commission's determination that the Bidder is responsible, and that the Commission will be relying upon the Bidder's responses to the Questionnaire in making that determination. The Bidder agrees that if it is determined by the Commission that the Bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, on such determination, the Commission may terminate the Contract by providing ten days' written notification to the Contractor. In no case shall such termination of the Contract by the Commission be deemed a breach thereof, nor shall the Commission be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such determination.

Unless the New York State Vendor Responsibility Questionnaire has been filed online, the hardcopy Questionnaire, Appendix E, must be completed and submitted with the Quotation.

1.15 DESIGNATION OF PROPRIETARY INFORMATION (FOIL)

During the evaluation process, the content of each Quotation will be held in confidence, and details of any Quotation will not be revealed except as may be required under the New York State Freedom of Information Law found in Article 6 of New York State's Public Officers Law ("FOIL") or other State law. FOIL provides for an exemption from disclosure for trade secrets or information which, if disclosed, would cause substantial injury to the competitive position of a commercial enterprise. This exception applies both during and after the evaluation process.

If a Bidder believes its Quotation contains any such trade secrets or other confidential information, the Bidder must submit a request with its Quotation to exempt such information from disclosure. Such request must: (a) identify the specific material in the Quotation that the Bidder believes should be exempt from disclosure; (b) identify the location (section, page number) of such material; and (c) state the reasons why FOIL permits the exemption of such information from disclosure.

Requests for exemption of the entire contents of a Quotation from disclosure generally have not been found to be meritorious and are discouraged. Requests for exemption of information from disclosure should be limited to bona fide trade secrets or specific information, the disclosure of which would cause substantial injury to the Bidder's competitive position.

For proprietary designations, the Commission's legal staff, as directed by the Designated Contacts, will review each designation and communicate with the Bidder in the determination of such designation. Any designation shall not become final until accepted by the Commission via formal letter. Once a designation is final, the Bidder will be required to submit a redacted version of the Quotation consistent with the accepted designation. The redacted version will be the material that is released in response to a FOIL request.

1.16 QUOTATION SUBMISSION

Quotations may be submitted (1) via email to officer.contracting@gaming.ny.gov or (2) by Contract carrier, courier delivery, in-person delivery, or by U.S. Postal Service, directed to:

New York State Gaming Commission
Contracts Office -- 4th Floor
One Broadway Center
Schenectady, NY 12305

If a hardcopy bid is to be submitted by a method other than U.S. Postal Service, the Bidder should contact one of the Designated Contacts, identified in this RFQ, prior to delivery, to assure that the Designated Contacts have notice of the other method of submission, to best plan for proper receipt of the Quotation.

A. Late Quotations:

A Quotation must be received by the Commission on or before the due date and time specified in the Schedule – Part 1.4 of this RFQ. The Bidder is responsible for timely receipt of its Quotation and should plan for delivery accordingly. Failure of a Bidder to submit a Quotation by the specified time may result in rejection or disqualification of the Quotation.

B. Multiple Quotations from One Bidder Prohibited:

A Bidder shall submit only a single Quotation. Submission of multiple Quotations is not permitted and may result in rejection or disqualification of all of the Bidder's Quotations.

C. Costs Associated with Preparation of Quotations:

The Commission and State shall not be liable for any of the costs incurred by a Bidder in preparing or submitting a Quotation, and, therefore, the Commission or State will not assume any responsibility or liability for any costs incurred by a Bidder prior to the award and approval of a Contract. The responsibilities and liabilities of the Commission and State shall be limited to those set forth in the Contract.

1.17 CLARIFICATION PROCESS

The Commission may request clarification from a Bidder to resolve any ambiguity or questioning information presented in the Quotation. Clarifications are an opportunity to explain, but not to enhance, a Quotation. Requests for clarification may occur throughout the Quotation submission review and/or the Quotation evaluation process. Clarification responses must be in writing and must address only the information requested. Responses must be submitted to the Commission within the time stipulated at the time of the request. As applicable, clarifications will be treated as addenda to the Quotation.

1.18 SITE VISITS

The Commission may visit any site where the Bidder conducts, or has conducted, operations similar to the services required in this RFQ. The Bidder shall cooperate in arranging and coordinating such site visits, but the Bidder shall not be permitted to pay for any travel, accommodations, or other expenses of such site visits.

1.19 DISCLOSURE AND INVESTIGATIONS DURING QUOTATION EVALUATION

Subsequent to Quotation submission, the Commission may initiate investigations into the backgrounds of the Bidder and individuals or entities related to any officers, directors, members, principals, investors, owners, subcontractors, employees, or any other individuals or entities related to the Bidder, as the Commission may deem appropriate, in

its sole discretion. Such background investigations may include fingerprint identification by the New York State Division of Criminal Justice Services and the Federal Bureau of Investigation, and such additional investigation as may be required.

The Commission may reject a Quotation based upon the results of any such background checks. Each Bidder is advised that any Bidder who knowingly provides false or intentionally misleading information in connection with any investigation by the Commission may cause the Quotation of such Bidder to be rejected, or a contract to be canceled by the Commission, in its sole discretion.

If a Bidder or a substantial subcontractor is a subsidiary of a parent entity, the Commission may also require the above disclosures from the parent entity, in the Commission's sole discretion.

1.20 DISCLOSURE OF LITIGATION AND OTHER INFORMATION

The Commission has a strong interest in the Successful Bidder's continuing ability to provide secure, high quality products and services, and as such, the Commission requires that a Bidder list and summarize pending or threatened litigation, administrative or regulatory proceedings, or similar matters that could materially affect the Bidder. A Bidder, as part of its disclosure requirement, must state whether the Bidder or any of the owners, officers, directors, or partners of such Bidder have ever been convicted of a felony. Failure to disclose any such matter may result in rejection of the Quotation or in termination of a Contract. **Such disclosures must be included with the Bidder's Quotation.**

This disclosure obligation is a continuing requirement. Any such matter commencing after submission of a Quotation and, with respect to the Successful Bidder, after the approval of a Contract, must be disclosed to the Commission in a written statement and in a timely manner.

1.21 NEW YORK STATE PUBLIC OFFICERS LAW

Contractors, consultants, vendors, and subcontractors may hire former Commission employees. However, as a general rule, and in accordance with New York State Public Officers Law section 73, former employees of the Commission may neither appear nor practice before the Commission, nor receive compensation for services rendered on a matter before the Commission, for a period of two years following their separation from Commission service. In addition, former Commission employees are subject to a "lifetime bar" from appearing before the Commission or receiving compensation for services regarding any transaction in which they personally participated, or which was under their active consideration during their tenure with the Commission.

1.22 ETHICS REQUIREMENTS

The Successful Bidder and its subcontractor(s) shall not engage any person who is, or has been at any time, in the employ of the State of New York to perform services in violation of the provisions of the New York State Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines, or policies promulgated or issued by the New York State Commission on Ethics and Lobbying in Government, or its predecessors (collectively, the "Ethics Requirements"). The Successful Bidder certifies that all its employees and those of its subcontractor(s) who are former employees of the State, and who are assigned to perform services pursuant to the Contract, shall be assigned in accordance with all Ethics Requirements. During the term of the Contract, no person who is employed by the Successful Bidder or its subcontractor(s) and who is disqualified from providing services set forth in the Contract pursuant to any Ethics Requirements may share in any net revenues of the Successful Bidder or its subcontractor(s) derived from the Contract. The Successful Bidder shall identify and provide the State with notice of those employees of the Successful Bidder and its subcontractor(s) who are former employees of the State that will be assigned to perform services pursuant to the Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Successful Bidder provide the State with whatever information the State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Commission on Ethics and Lobbying in Government, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Commission on Ethics and Lobbying in Government. The State shall have the right to withdraw or withhold approval of any subcontractor(s) if utilizing such subcontractor(s) for any work performed hereunder would conflict with any of the Ethics Requirements. The State shall have the right to terminate the Contract resultant from this RFQ at any time if any work performed hereunder conflicts with any of the Ethics Requirements.

1.23 CONFLICTS OF INTEREST

Throughout the procurement process, Bidders must identify, and bring to the attention of the Commission, actual or apparent conflicts of interest as knowledge of such conflicts arises, as follows:

- A. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of five percent (5%) or more, or parent, subsidiary, or affiliated firm or entity, that would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Bidder, or former officers and employees of the Commission and its Affiliates, in connection with the Bidder rendering services set forth in this RFQ. If a conflict does or might exist, the Bidder must describe how the Bidder would eliminate or prevent such conflicts. The Bidder should also indicate what procedures will be followed to detect, notify the Commission of, and resolve any such conflicts;

- B. Disclose whether the Bidder, or any of its members, shareholders of five percent (5%) or more, parents, affiliates, or subsidiaries has been the subject of any investigation or disciplinary action by the New York State Commission on Ethics and Lobbying in Government or its predecessor State entities (collectively, "COELIG"), and if so, a brief description must be included indicating how any matter before COELIG was resolved, or whether it remains unresolved; and
- C. Indicate whether the Bidder (including any proposed subcontractors) has performed work for vendors now active, or seeking to become active, in the provision and/or management of gaming systems in lottery jurisdictions and disclose the nature of such work, including when such work was performed. It is incumbent upon the Bidder to demonstrate clearly that such work could have no real or perceived effect on the Bidder's independence and impartiality in the performance of the work required herein. If the Bidder has not performed work for vendors (as described in this paragraph), Bidders should also indicate so.

In addition, the Bidder must complete and return with its Quotation, the Vendor Assurance of No Conflict of Interest or Detrimental Effect form, Appendix K. Any Bidder awarded a contract under this RFQ will have an on-going obligation to inform the Commission of any actual or apparent conflicts of interest. This disclosure obligation is a continuing requirement.

1.24 CHANGE IN FINANCIAL CONDITION

If a Bidder who has submitted a Quotation in response to this RFQ experiences a substantial change in financial condition prior to the award of a Contract pursuant to this RFQ, or if a Successful Bidder experiences a substantial change in financial condition during the term of the Contract with the Commission, the Bidder is required to notify in writing the Executive Director of the Commission, or his or her designee, at the time the change occurs or is identified. Failure to notify the Executive Director of the Commission, or his or her designee, of such a change may result in rejection of a Bidder's Quotation or termination of the Contract, in the sole discretion of the Commission. **This disclosure obligation is a continuing requirement.**

1.25 CHANGE IN OWNERSHIP

If a Bidder experiences a material change in ownership prior to the award of the Contract or during the term of a Contract with the Commission, the Bidder is required to notify in writing the Executive Director of the Commission, or his or her designee, at the time the change occurs or is identified, whichever happens earlier. "Material change in ownership" is defined as any merger, acquisition, assignment or change in parties who, in the aggregate, own greater than five percent (5%) of the Bidder or the parent company of the Bidder. Failure to notify the Commission of such a change may result in the rejection of a Bidder's Quotation or termination of the Contract. The Commission reserves the right,

based on its assessment of a material change in ownership, to reject a Bidder's Quotation or terminate the Contract. **This disclosure obligation is a continuing requirement.**

1.26 NEWS RELEASES

A news release pertaining to this RFQ or the services, evaluation, or projects to which this RFQ relates may not be made without prior written Commission approval, and then only in accordance with express written instructions from the Commission. No outcome of the award under this procurement may be released without prior approval by the Commission, and then only to persons designated by the Commission.

1.27 ADVERTISING

Each Bidder agrees not to use the Commission's name, logos, images, nor any data or results arising from this RFQ or Contract as part of any commercial advertising without prior written approval by the Commission, and then only in consultation and cooperation with the Commission.

1.28 STATE'S RESERVED AUTHORITY

In addition to any authority set forth elsewhere in this RFQ, the Commission reserves the authority to:

- A. Award a Contract for all, part, or none of the services requested by this RFQ;
- B. Waive any informality or technical defect if, in the judgment of the Commission, the best interest of the Commission will be so served;
- C. Eliminate any non-material mandatory specification(s) that cannot be complied with by any of the prospective Bidders;
- D. Amend the RFQ and direct Bidders to submit Quotation modifications accordingly;
- E. Change any of the scheduled dates stated herein;

- G. Withdraw the RFQ at any time, at the sole discretion of the Commission;
- H. Seek clarifications and revisions to Quotations;
- I. Use information obtained through site visits, management interviews, and investigation of a Bidder's qualifications, experience, ability or financial standing, and any material

or information submitted by the Bidder in response to the request by the Commission for clarifying information in the course of evaluation and/or selection under this RFQ;

- J. Disqualify any Bidder whose conduct and/or Quotation fails to conform to the requirements of this RFQ;
- K. Negotiate with the Successful Bidder within the scope of the RFQ in the best interests of the State;
- L. Request best and final offers;
- M. Set aside the original Successful Bidder if the Commission determines that the Bidder is non-responsive or non-responsible. The Commission may then award a Contract to the Bidder with the next highest total combined score; and
- N. Stop the work covered by this RFQ and the Contract at any time that it is deemed the Successful Bidder is unable, unwilling, or incapable of performing the work to the Commission's satisfaction. In the event of such stop, the Commission shall have the right to arrange for the completion of the work in such a manner as it may deem advisable and if the cost thereof exceeds the amount of the Successful Bidder's Quotation, the Successful Bidder and its surety shall be liable to the Commission and the State of New York for any such cost thereof. In the event the Commission stops the work as provided herein, together with the reason thereof, the Bidder shall have ten business days to respond to the Commission's stop order before any such stop order shall become effective. After the ten business days have passed and/or any response received is considered, the Commission may move forward with the original stop order, or modify or withdraw its original stop order, within its discretion.

1.29 PROTEST OR APPEAL

If a Bidder decides to protest the award decision, the following protest procedures shall be followed:

- A. Any protest of the award decision shall be filed with the Commission, no later than ten business days following the date of the Commission's written notification to the unsuccessful Bidder that an award was made;
- B. The protest shall clearly state the basis for the protest and include all relevant documentation supporting such protest;
- C. The Commission shall conduct a review of the protest and issue a written determination to the protesting party within fifteen (15) business days of receipt of the protest. If additional time for issuance of the determination is necessary, the Commission shall inform the Bidder of the delay and of the time frame within which a determination may be expected. The final written determination provided to the Bidder will constitute the Commission's final administrative determination of the protest;

- D. For an unsuccessful Bidder to appeal the Commission's final administrative determination of the Bidder's protest, the unsuccessful Bidder must submit such an appeal to OSC's Bureau of Contracts ("BOC"), within ten business days of the Bidder's receipt of the Commission's final administrative determination. The protest appeal shall be in writing and shall contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the Contract award by the Commission. A copy of the appeal shall be served on the Commission, the Successful Bidder, and any other party that participated in the review of the protest conducted by the Commission. The unsuccessful Bidder's appeal shall contain written affirmation that a copy of the appeal has been served as required by this paragraph;
- E. The appeal shall be filed with: Director, Bureau of Contracts – 11th Floor, New York State Office of the State Comptroller, 110 State Street, Albany, NY 12236;
- F. The Commission will submit an answer to the appeal to the BOC simultaneously with the Commission's delivery of the Contract to the BOC for its review, or within seven business days of the submission of the appeal, whichever is later. The Commission's answer to the appeal shall include written affirmation that, simultaneous with submission to the BOC, the answer was transmitted to the protestor and the Successful Bidder;
- G. The Successful Bidder may, but is not required to, submit to the BOC an answer to the appeal. Such answer shall include written affirmation that the answer was simultaneously delivered to the Commission and the protester and must meet the submission requirements as noted above for the Commission;
- H. The BOC shall evaluate the merits of the protest, the Commission's determination, and any response submitted by an interested party. The BOC, in its review, may require the Commission, the protesting party, the Successful Bidder, or any other interested party to address additional issues raised; may obtain information from an outside source; or may determine whether the BOC deems it necessary to conduct a fact-finding hearing, and the level of formality of any hearing conducted; and
- I. The BOC will issue a written determination addressing the issues raised by the appeal. All interested parties shall be provided with a copy of the determination. The determination shall be made part of the procurement record.

A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

In accordance with Executive Order No. 177, the Bidder shall certify that it does not have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status under the Human Rights Law. The certification is included with this RFQ as **Appendix M, Anti-Discrimination EO 177 Certification.**

Executive Order No. 177 and this certification do not affect institutional policies or practices that are protected by existing law, including, but not limited to the First Amendment of the United States Constitution, Article 1, Section 3 of the New York State Constitution, and section 296(11) of the New York State Human Rights Law.

1.31 CERTIFICATION OF COMPLIANCE WITH STATE FINANCE LAW §139(l)

By submission of this Quotation, each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint Quotation each party thereto certifies as to its own organization, under penalty of perjury, that the Bidder has, and has implemented, a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of New York State Labor Law § 201-g. Bidder certification of compliance with State Finance Law § 139-l is included with this RFQ as **Appendix L, Statement on Sexual Harassment.**

1.32 EXECUTIVE ORDER NO. 16 CERTIFICATION

On March 17, 2022, Governor Kathy Hochul issued Executive Order No. 16, which stated that “[a]ll Affected State Entities are directed to refrain from entering into any new contract or renewing any existing contract with an entity conducting business operations in Russia.” On March 24, 2022, the United States, in coordination with the European Union and the Group of Seven (G-7), imposed sanctions on an additional 400 Russian individuals and entities. The federal sanctions include efforts to block moves by Russian entities and individuals to evade the sanctions imposed or to use international reserves. Executive Order No. 16 is intended to ensure that New York State is not entering into contracts with entities conducting business in Russia and thereby indirectly supporting Russia’s unjustified war against the Ukrainian people. Bidders must certify compliance by signing and returning **Appendix N, EO 16 Certification.**

Substitute Form W-9, Appendix F: To do business with the State of New York, each Bidder is required to obtain a New York State Vendor Identification Number for use in the Statewide Financial System ("SFS"). If the Bidder does not already have a Vendor ID

Number, the Substitute Form W-9 must be completed and submitted directly to the Commission upon notification of award. The purpose of the Substitute Form W-9, which will capture the Contractor's taxpayer identification number, business name, and business contact person, is to allow the State to establish a Vendor file in the SFS.

Note: IRS Form W-9 is not acceptable for this purpose.

2.10 CONSULTANT DISCLOSURE

The Contractor must comply with the requirements of New York State's State Finance Law section 163(4)(g), which imposes certain reporting requirements on contractors doing business as vendors with New York State. In furtherance of these reporting requirements, the Contractor agrees to complete and submit Contractor's Planned Employment Report (**Appendix J – Form A**) within two business days after receiving notice of a Contract award and Contractor's Annual Employment Report (**Appendix J – Form B**) by May 15th for each fiscal year (April 1 – March 31) the Contract term is in effect. Forms A and B should be completed as follows:

- **Employment Category:** The Contractor must use specific occupation titles as listed in the O*net occupational classification system found through the U.S. Department of Labor's Employment and Training Administration (www.onetonline.org). The classification system provides a code for various occupational titles; the Contractor should use the code that best defines the employment titles to be utilized under the Contract.
- **Number of Employees:** Enter the number of employees in the employment category employed to provide services (Form A), or who have performed services (Form B), during the reporting period, including part-time employees and employees of subcontractors.

2.11 AUDITOR INDEPENDENCE

The Contractor shall annually submit a statement, signed by an authorized signatory, that the firm is independent of the Commission in accordance with the AICPA standards and is able to conduct the proposed audit.

2.12 TRANSITION

Upon expiration or termination of this Contract, the Contractor shall, upon the appointment of the successor contractor, provide such successor contractor access to all necessary records in the Contractor's possession relating to the services provided under this Contract. At the Commission's request, the Contractor shall, at no cost to the Commission, also make appropriate staff available to the Commission and to the successor contractor during normal business hours to answer questions regarding such records and the services which have been provided by the Contractor under this Contract. The Contractor shall cooperate to the fullest extent with any successor contractor in order to accomplish a smooth and orderly transition, so that the services required are uninterrupted and are not adversely impacted by the change in contractor.

2.13 TAX LAW SECTION 5-A

The Bidder awarded a Contract pursuant to this RFQ must comply with the requirements of New York State Tax Law section 5-a, which requires businesses that are awarded contracts with New York State to certify that they are registered to collect New York State and local sales and use taxes on sales delivered to locations within New York. The OSC or other responsible approver cannot approve the Contract unless the Contractor is registered with the New York State Department of Taxation and Finance to collect sales and compensating use taxes, pursuant to this section.

The Contractor Certifications—ST-220-CA and ST-220-TD, Appendix G —must be filed in compliance with Tax Law section 5-a. Any Bidder awarded a Contract under this RFQ will, within seven calendar days of notification of award, file ST-220-TD form directly with the New York State Department of Taxation and Finance at the address provided on the form and file the ST-220-CA form with the Commission.

Bidders can visit the New York State Department of Taxation and Finance website to obtain more information: https://www.tax.ny.gov/pubs_and_bulls/tq_bulletins/st/section_5a.htm.

2.14 INSURER QUALIFICATIONS AND INSURANCE REQUIREMENTS

Insurer qualifications and insurance requirements are provided in **Appendix O** of the RFQ. The Contractor must comply with these requirements to remain responsible under the terms of an ensuing Contract.

In the Quotation, a Bidder must provide a statement agreeing that, if awarded a contract under this solicitation, the Bidder will comply with the insurer qualifications and insurance qualifications.

2.15 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR EQUAL EMPLOYMENT AND BUSINESS PARTICIPATION OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND NEW YORK STATE CERTIFIED MINORITY/WOMEN-OWNED BUSINESSES

By submission of a Quotation in response to this solicitation, the Bidder agrees with all of the terms and conditions of Clause 12 of Appendix A – Equal Employment Opportunities for Minorities and Women.

In accordance with Article 15-a of the New York State Executive Law and in conformance with the regulations promulgated by the Minority and Women’s Business Development Division of the New York State Department of Economic Development set forth in 5 NYCRR Parts 140-144, the Bidder agrees to be bound by provisions to promote equality of economic opportunity for minority group members and women, and the facilitation of minority and women-owned business enterprise participation.

The Equal Employment Opportunities (“EEO”) and Minority and/or Women-Owned Business Enterprises (“M/WBE”) requirements are set forth in Appendix I of this RFQ.

The M/WBE goal established under this RFQ is 30%.

2.16 NEW YORK STATE SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Veterans’ Services Law Article 3 provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. The Commission recognizes the need to promote the employment of service-disabled veterans and to ensure that certified SDVOBs have opportunities for maximum feasible participation in the performance of Commission contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

The Participation Opportunities for New York State Certified Service-Disabled Veteran-Owned Businesses form is included with this RFQ as Appendix I.

The SDVOB goal established under this RFQ is 6%.

2.17 SUCCESSFUL BIDDER RESPONSIBILITIES AS PRIMARY CONTRACTOR

The Successful Bidder will be required to assume responsibility for all contractual activities offered in the Quotation whether or not the Successful Bidder performs such activities. Further, the Commission will consider the Successful Bidder to be the sole point of contact regarding contractual matters, including payment of any and all charges resulting from the Contract.

The Successful Bidder may have subcontractors; however, the Successful Bidder must accept full responsibility for the performance of any such subcontractor. If any part of the work is to be subcontracted, responses to this RFQ must include a list of subcontractors, as provided in **PART 4 - QUOTATION**.

2.18 APPROVAL OF STAFFING

The Commission reserves the right to review and, if perceived necessary in its discretion, disapprove of any employee of the Successful Bidder that is assigned to the Commission Contract, either at Contract inception or during the term or any extension thereof.

2.19 NEW YORK STATE SUBCONTRACTORS AND SUPPLIERS

Bidders are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the Contract. Such partnering may be as subcontractors, suppliers, protégés, or in other partnering or supporting roles.

Subcontractor and supplier requirements are set forth in Encouraging Use of New York State Businesses in Contract Performance, Appendix H.

2.20 SUBCONTRACT APPROVAL

Any subcontractor must first be approved by the Commission, which may require the Successful Bidder to replace subcontractors who are determined to be unacceptable, either upon inception or during the term or any extension of the Contract. Subcontractors are subject to background checks of personnel and principals and may also require licensing.

The Successful Bidder agrees not to subcontract any of its services, unless as indicated in its Quotation, without the prior written approval of the Commission. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

The Successful Bidder may arrange for a portion(s) of its responsibilities pursuant to the Contract to be subcontracted to qualified, responsible subcontractors, subject to approval of the Commission. If the Successful Bidder determines to subcontract a portion of the services, the subcontractor(s) must be clearly identified and the nature and extent of its

involvement in and/or proposed performance under the Contract must be fully explained by the Successful Bidder to the Commission. As part of this explanation, the subcontractor must submit to the Commission a completed **Appendix K, Vendor Assurance of No Conflict of Interest or Detrimental Effect**, as required by the Successful Bidder prior to execution of the Contract (See Section 1.23).

The Successful Bidder retains ultimate responsibility for all services performed under the Contract.

All subcontracts shall be in writing and shall contain provisions that are functionally identical to, and consistent with, the provisions of the Contract including, but not limited to, the body of the Contract, Appendix A – Standard Clauses for NYS Contracts, and the RFQ. Unless waived in writing by the Commission, all subcontracts between the Successful Bidder and subcontractors shall expressly name the State, through the Commission, as the sole intended third-party beneficiary of such subcontract. The Commission reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s). Such right shall not make the Commission or the State a party to any subcontract, or create any right, claim, or interest in the subcontractor or proposed subcontractor against the Commission.

The Commission reserves the right, at any time during the term of the Contract, to verify that the written subcontract between the Successful Bidder and subcontractor(s) complies with all the provisions of this section and any subcontract provisions contained in this Contract.

The Successful Bidder shall give the Commission immediate notice in writing of the initiation of any legal action or suit that relates in any way to a subcontract with a subcontractor, or that may affect the performance of the Successful Bidder's duties pursuant to the Contract. Any subcontract shall not relieve the Successful Bidder in any way of any responsibility, duty, and/or obligation of the Contract.

If at any time during performance under the Contract, total compensation to a subcontractor exceeds or is expected to exceed \$100,000, that subcontractor shall be required to submit and certify a New York State Vendor Responsibility Questionnaire.

2.21 DELEGATION AND/OR ASSIGNMENT

No delegation of any duties under this Contract to another entity shall be binding upon the State until the Commission has given written consent to such delegation; nor shall assignments of rights to moneys due or to become due under this Contract be permitted to any entity other than Contractor, except by express written consent of the Commission.

2.22 CODE OF CONDUCT FOR CONTRACTOR

The Commission is an extremely sensitive enterprise because of the nature of the business and because it is government operated. Therefore, it is essential that its operation, and the

operation of other enterprises which would be linked to it in the public mind, avoid not only impropriety but also the appearance of impropriety. Due to this, contractors and subcontractors associated with the Commission are expected to:

- A. Offer goods and services only of the highest standards;
- B. Use their best efforts to prevent themselves and their industry from becoming embroiled in unfavorable publicity;
- C. Make sales presentations in a responsible manner, and when it is necessary to point out the superiority of their goods or services over those of their competitors, to do so in such a manner as to avoid unfavorable publicity for the Commission and the industry;
- D. Avoid promotional activities that could be interpreted as improper and result in embarrassment to the industry;
- E. Report security problems or potential security problems promptly to the Commission;
- F. Not offer or give any gift, gratuity, favor, entertainment, loan or any other thing of material monetary value to any Commission employee, or to any individual influencing the outcome of this project; and
- G. At any point during the procurement and resulting Contract the Contractor must identify, and bring to the attention of the Commission, actual or apparent conflicts of interest as knowledge of such conflicts arise.

2.23 OWNERSHIP OF MATERIALS

Ownership of all data, documentary material, and reports originated and prepared exclusively for the Commission pursuant to any Contract resulting from this RFQ shall belong to the Commission. The Successful Bidder agrees that, except where noted, all materials, documents, products, reports, data, and other information, whether finished, unfinished, or draft developed, gathered, or compiled pursuant to this Contract by the Successful Bidder are the sole property of the Commission and that they shall not be used or destroyed by the Successful Bidder or any other person without express written permission of the Commission.

2.24 LICENSED INTELLECTUAL PROPERTY

To the extent that the Bidder utilizes or relies upon the Intellectual Property Rights of a third party in fulfilling its obligations under the Contract, the Bidder will provide the Commission with whatever assurance the Commission deems necessary that the use of such third-party intellectual property is permissible. In addition, in the event of failure to perform or a breach of Contract the Bidder shall ensure continued right of use of licensed intellectual property by the Commission. The Commission will not pay a fee for rights already held by the Bidder; however, if fees are incurred for the licensing of intellectual property owned by any third

party relevant to the fulfillment of the services under this RFQ, any fees to be paid by the Commission for use of a third party's intellectual property will be negotiated on a case by case basis. The Bidder shall provide a list of any third party's intellectual property relevant to this procurement that the Bidder is currently licensed to use.

2.25 COMMISSION SECURITY REQUIREMENTS

The Contractor, including its employees, officers, and agents, shall be required to comply with all present and future security procedures of New York State communicated to it in the performance of the Contract, including ITS Information Security policies and procedures located at <https://its.ny.gov/policies>. In addition, the Contractor, project managers, their employees, officers and agents, and any and all persons involved in projects and work assignments under the Contract will be required, prior to access to any of the Commission's sites, to be given a security clearance by the Commission. Anyone seeking access to a Commission site shall provide his or her name, address, date of birth, company affiliation, and a company point of contact for employment verification, at least one week prior to any site visit. Once preliminary access approval is granted by the Commission, all visitors to a site must provide two forms of valid identification, including one photo ID, and written authorization that they are acting on behalf of a designated employer or contractor. Only after site authorization is confirmed, will the Commission approve access to the Commission site. The Contractor, to the extent the following meets or exceeds ITS Information Security policies described above, shall use industry standard security measures, including standard encryption protocols, to protect and guard the availability and security of all "Confidential Information" as defined within section 13 of the Contract, and adhere to all security policies. The Contractor shall be strictly prohibited from using Confidential Information in any fashion other than that defined herein. The Contractor warrants that it will be properly informed and trained regarding security standards and is prohibited from disclosing Confidential Information to any persons without a need to know. The Commission's information shall not be removed, through any means (stored on non-Commissioned owned devices, photographed, thumb drive, etc.) from any site or facility without express permission, in writing, from Commission management. If removal or storage is required and permission received, Commission electronic data shall be encrypted while at rest and in transit. Upon completion of the assignment, all Commission data must be destroyed in accordance with the sanitization requirements described in ITS Security Policy NYS-S13-003 (See https://its.ny.gov/system/files/documents/2022/10/nys-s13-003_sanitization_secure_disposal_standard.pdf) as updated or superseded at the time the sanitization process is implemented, and, where required, Criminal Justice Information Systems (CJIS) sanitization and disposal standards. Data destruction shall be confirmed in writing to the Commission by an authorized representative of the Contractor.

If immediate purging of all data storage components is not possible, the Contractor shall certify that any data remaining in any storage component will be safeguarded to prevent unauthorized disclosures. The Contractor shall then certify to the Commission, in writing, that it has complied with the provisions of this paragraph. The Commission may withhold payment to the Contractor if Commission data is not released to the Commission in accordance with the preceding sections.

A. Physical Security During the Delivery of Contracted Services

- (i) The Contractor shall be solely responsible for the safety and security of the project sites, facilities, and components under this Contract, as well as facility physical access requirements, with the exception that the Contractor is not responsible for overall building security at locations under the control and management of Commission, State, local or federal agencies. The Contractor remains responsible, however, for security of project components or equipment within such buildings (e.g. secure equipment enclosures within the space provided by such agencies). The Contractor shall be responsible for, and shall correct its failure or theft of, any components or portion of the project **due to the Contractor's inadequate physical and/or information security at its cost and expense.**
- (ii) The physical security and the information security of project data shall be provided at a level commensurate with that normally established for a similar system in today's heightened security environment. All components of site security shall be of suitable strength and design and shall reasonably withstand attempts to gain unauthorized access.

B. Access by Personnel

- (i) The Contractor, its officers, agents, subcontractors, and their employees and independent contractors, shall be required to comply with all applicable facility and information security policies and procedures of the Commission and the State in performing the Scope of Work under this RFQ. Such policies and procedures shall be communicated to the Contractor as a condition precedent to Contractor's obligations under this paragraph.
- (ii) The Contractor warrants that each individual performing work under this RFQ is legally eligible to work in the United States and that such eligibility shall be maintained at all times during the engagement while the individual is accessing any Commission site, information systems, or data contained therein. In addition, prior to accessing any Commission site, project information systems or data contained therein, the Contractor, and its officers, agents, sub-contractors, and their collective employees and independent contractors performing work under this RFQ, shall be required to:
 - (a) Obtain security clearance from the Commission, which may include, at the Commission's discretion, a criminal history and/or background investigation of each individual proposed to perform work under the Contract. Each individual assigned to the project by or through the Contractor shall be required to submit identifying information to the Commission.
 - (b) Obtain from the Commission and prominently display on their person, Commission-issued identification cards at all times while physically present at any Commission site.

- (iii) When an emergency or other circumstance occurs that renders immediate compliance with the foregoing requirements impractical, the Commission may, in its sole judgment, defer an individual's compliance with the foregoing requirements and grant temporary access. Such deferment shall not be construed as a waiver of the Commission's right to subsequently require security clearance as to any individual previously granted such temporary access; provided however, that even in such circumstances, the Commission approves such individual's access prior to such individual accessing a site, system or data and the Commission may accompany such individual at all times when on-site.
- (iv) The Commission reserves the right, in its sole discretion, and without liability to the Contractor's officers, agents, subcontractors, and their collective employees and independent contractors assigned to work under the Contract, to accompany any such approved individual when on-site, and to withhold approval of and refuse to permit access prior to such an individual accessing a site, system, or data. The Commission also reserves the right, in its sole discretion, and without liability to the Contractor's officers, agents, subcontractors, and their collective employees and independent contractors assigned to work under the Contract, to withhold approval of and refuse to permit access to Commission facilities, electronic information systems or data contained therein to any individual proposed by or through the Contractor (A) who refuses to comply with the security procedures outlined in this section, or (B) where the Commission determines that the individual may present a risk to the Commission's security interests. The Commission shall not be liable for payments or damages of any kind if the Contractor is delayed or unable to perform under the Contract as a result of the Commission's denial of access to any individual(s) pursuant to this section.

2.26 NON-EXCLUSIVE RIGHTS

Nothing in this RFQ or the Contract resulting from this RFQ shall preclude the Commission from obtaining services from other sources.

The selected firm will be provided with two SSAE 18, SOC I, Type II Reports that describe the internal control environment of third-party contractors utilized for the full-service Lottery system (International Game Technology, PLC) and the video lottery gaming system (Everi Games, Inc.). However, the Vendor must be able to perform the entire audit remotely should circumstances and/or restrictions arise, such as those resulting from the COVID-19 pandemic, that would prohibit the Vendor from working at the Commission's headquarters. STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

- iii. the Contractor's filing for bankruptcy in a court of competent jurisdiction;
- iv. a determination by a court of competent jurisdiction that the Contractor is bankrupt or insolvent;
- v. a good faith determination by the Commission that continuation of the Contract could place the integrity or public perception of the Commission in jeopardy;
- vi. a determination by the Commission's Executive Director, or his or her designee, that the Contractor is non-responsible or nonresponsive; or
- vii. a conviction of the Contractor or any of its directors, officers, or employees, of any criminal offense which, in the sole reasonable opinion of the Commission's Executive Director, or his or her designee, would be prejudicial to public confidence in the Commission.

In the event the Commission decides to exercise the right to terminate this Contract for cause, the Commission shall give the Contractor a written Notice of Intention to Terminate for Cause ("Notice") which states clearly and specifically the cause for which termination is sought. The Contractor shall be entitled to a period of thirty (30) days from receipt of such Notice to correct or cure the cause to the reasonable satisfaction of the Commission, in which case such Notice shall be deemed withdrawn and a nullity.

If termination is sought due to a criminal conviction described in subparagraph (vii) of paragraph (b) of this Section, the cause for termination shall be deemed to be cured if the Contractor causes or obtains the dismissal, resignation, retirement or other removal of the person convicted of such offense during such thirty (30) day period.

Where the Contractor is determined by the Commission's Executive Director or his or her designee to be non-responsible or nonresponsive as described in subparagraph (vi) of paragraph (b) of this Section, upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Commission officials or staff, the Contract may be terminated by the Executive Director or his or her designee at the

Contractor's expense. In such event, the Executive Director, or his or her designee, may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

(c) In the event that this Contract is terminated under the provisions of (a) or (b) of this section, the Contractor shall be entitled to payment for services rendered and materials provided prior to the termination, and subject to setoff, if any, for claims by the Commission against the Contractor. In no event shall the Commission be liable to the Contractor for lost profits, or incidental, consequential, or special damages based upon the exercise of the Commission's termination rights.

11. **Responsibility.**

- a. The Contractor shall at all times during the Contract term remain responsible as defined by New York State's State Finance Law §163(1)(c). The Contractor agrees, if requested by the Commission's Executive Director, or his or her designee, to present evidence regarding the Contractor's continuing legal authority to do business in the State of New York, as well as its integrity, experience, ability, prior performance, and organizational and financial capacity.
- b. The Commission's Executive Director, or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such suspension, the Contractor must comply with the terms of the suspension. The Contractor may resume performance of this Contract at such time as the Commission's Executive Director, or his or her designee, issues a written notice authorizing its resumption.

12. **Conflicts of Interest.**

- a. The Contractor shall provide a completed "Vendor Assurance of No Conflict of Interest or Detrimental Effect" form (or any updated form identified by the Commission for the same purpose), signed by an authorized executive or legal representative of the Contractor. The Contractor hereby reaffirms the attestations

made in the Quotation, and covenants and represents that there is, and shall be, no actual or potential conflict of interest that could prevent the Contractor's satisfactory or ethical performance of duties required to be performed pursuant to the terms of this Contract. The Contractor shall have a duty to notify the Commission immediately of any actual or potential conflicts of interest.

- b. In conjunction with any subcontract under this Contract, the Contractor shall obtain and deliver to the Commission, prior to entering into a subcontract, a completed "Vendor Assurance of No Conflict of Interest or Detrimental Effect" form (or any updated form identified by the Commission for the same purpose), signed by an authorized executive or legal representative of the subcontractor with which the Contractor has contracted. The Contractor shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to the Commission a signed and completed "Vendor Assurance of No Conflict of Interest or Detrimental Effect" form (or any subsequent form required by the Commission for this same purpose) for each of any subcontractors' subcontractors prior to entering into a subcontract.
- c. The Commission and the Contractor recognize that conflicts may occur in the future due to the Contractor's existing or new relationships. The Commission will review the nature of any relationship and reserves the right to terminate this Contract if, in the judgment of the Commission, a real or potential conflict of interest cannot be cured.

13. **Confidentiality and Non-Disclosure.**

- a. For the purposes of this section, "Confidential Information" means any information not generally known to the public, whether oral or written, that the Commission identifies as confidential and discloses to the Contractor so that the Contractor can provide services to the Commission pursuant to this Contract. The Commission will identify written Confidential Information by marking it with the word "Confidential" and will identify oral Confidential Information as confidential at the time of disclosure to the Contractor. Confidential Information may include, but is not limited to the following:
 - i. operational and infrastructure information relating to quotation documents, plans, drawings, specifications, reports, product information;

- ii. business and security processes and procedures;
 - iii. personnel and organizational data, and financial statements; information system IP addresses, passwords, security controls, architectures, and designs; and
 - iv. such other data, information, and images that the Commission deems confidential.
- b. Confidential Information does not include information that, at the time of the Commission's disclosure to the Contractor:
 - i. is already in the public domain or becomes publicly known through no act of the Contractor;
 - ii. is already known by the Contractor free of any confidential obligations;
 - iii. is information that the Commission has approved in writing for disclosure; or
 - iv. is required to be disclosed by the Contractor pursuant to law so long as the Contractor provides the Commission with notice of such disclosure requirement and the opportunity to defend prior to any such disclosure.
- c. The Contractor may use Confidential Information solely for the purposes of providing services to the Commission pursuant to this Contract. The Contractor shall not make copies of any written Confidential Information without the express written permission of the Commission. The Commission's disclosure of Confidential Information to the Contractor shall not convey to the Contractor any right to, or interest in, such Confidential Information and the Commission shall retain all right and title to such Confidential Information at all times.
- d. The Contractor shall hold Confidential Information confidential to the maximum extent permitted by law. The Contractor shall safeguard Confidential Information with at least the same level of care and security, using all reasonable and necessary security measures, devices, and procedures that the Contractor uses to maintain its own confidential information.
- e. Upon written request by the Commission, the Contractor shall return all written Confidential Information to the Commission.

14. **Records Retention.** The retention of records required by the Contractor under this Contract shall be retained for the periods specified in Appendix A. Such records may be

retained in their original form, or in any other reliable and readily retrievable format, at the option of the Contractor.

15. **Notice**. All notice required by this Contract shall be sufficient if in writing and sent by certified mail with return receipt requested, unless otherwise specifically allowed to be provided by email. 16. **Liability and Indemnification**. The Contractor shall be responsible for all damages to life and property due to activities of the Contractor, the Contractor's subcontractors and sub-subcontractors, if any, and the Contractor's agents or employees, in connection with performance of services under this Contract. To the extent permitted by law, the Contractor shall forever defend, indemnify, and hold harmless the State of New York, the Commission, and their respective commissioners, officers, agents, directors, employees, other contractors, and sales agents, and all agents, employees, officers and directors of such contractors and sales agents ("the Indemnified Parties"), from and against any and all claims, liabilities, losses, damages, costs, injuries, debts or expenses (including reasonable fees, court costs, and expenses of attorneys of the Commission's choice), which may be made, incurred, suffered, or required in whole or in part based on, arising out of, or being related to the Contractor's response to this RFQ, as well as the Contractor's and the Contractors' subcontractors' and sub-subcontractors' (a) obligations to the State of New York or other governmental or legal authority, (b) contracts and

subcontracts (including sub-subcontracts), and (c) products and services provided under the Contract.

17. **Relationship.** The relationship of the Contractor to the Commission arising out of this Contract shall be that of an independent contractor. The Contractor retains sole and absolute discretion in the manner and means of carrying out the Contractor's activities and responsibilities under this Contract, except to the extent specified in this Contract. The Contractor, all employees of the Contractor, and the Contractor's subcontractor(s) and sub-subcontractors, if any, in accordance with their respective status as an independent contractor, agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the Commission or the State of New York, and that they will not make any claim, demand or application for any right or privilege applicable to an officer or employee of the Commission or the State of New York, including, but not limited to, workers' compensation coverage, unemployment insurance benefits, Social Security coverage, or retirement membership or credit.

All personnel of the Contractor shall be within the employ of the Contractor only, or shall be duly contracted subcontractors of the Contractor, with the Contractor alone responsible for their work, the direction thereof, and their compensation. Nothing in this Contract shall impose any liability or duty on the Commission or the State of New York, for any acts, omissions, liabilities or obligations of the Contractor, a subcontractor, a sub-subcontractor, or any agent of the Contractor for any taxes, unemployment insurance, and workers' compensation. The Contractor hereby agrees to defend, indemnify, and hold harmless the Indemnified Parties from and against any and all claims, liabilities, losses, damages, costs, injuries, debts or expenses (including reasonable fees, court costs, and expenses of attorneys of the Commission's choice).

18. **Force Majeure.** A Force Majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. As used herein, Force Majeure means riot, sabotage, boycott, embargo, or civil or military disturbances; interruption of or delay in transportation; national emergency; acts of terrorism; inability to procure material; failure

of electricity or other utilities; restrictive laws, regulations or orders, or any act or failure to act, of any federal, state or local government or governmental agency or authority; confiscation or seizure by any governmental authority; condemnations by any governmental authority; riots or insurrection; wars or war-like actions; earthquakes, flood, storms, wash-outs, fire, lightning or other severe inclement weather, or other acts of god; explosions or other accidents; nuclear reaction or radiation; epidemic, pandemic, or other public health crisis or emergency, whether national or local; interruption or loss of internet, computer, telephone, broadcast or other communications or service; or other similar causes which are beyond the control of the party affected and which, by the exercise of reasonable diligence, said party is unable to prevent.

Neither the Contractor nor the Commission shall be liable to the other for any delay in or failure of performance under this Contract due to a Force Majeure occurrence. Any such delay in or failure of performance shall not constitute a breach of the Contract or give rise to any liability for damages. The Commission shall extend the period for performance, subject to the provisions of Section 6 – Approvals Required, of this Contract, to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

19. **Severability**. If any term or section of this Contract is declared by a court having jurisdiction to be illegal or unenforceable, the validity of the remaining terms or sections is unaffected, and, if possible, the rights and obligations of the parties are to be construed and enforced as if the Contract did not contain that term.

20. **Documents Incorporated**. Appendix A, Standard Clauses for New York State Contracts, dated June 2023, the RFQ, and the Quotation are hereby incorporated to the same force and effect as if set forth herein.

21. **Order of Precedence**. Any conflict between this Contract and the documents incorporated herein shall be resolved according to the following order of precedence:
 - a. Appendix A – Standard Clauses for New York State Contracts;
 - b. Any amendments to the Contract;

- c. Contract;
- d. The RFQ and any clarifying responses by the Commission; and
- e. The Quotation and any clarifying responses by the Contractor.

22. **Miscellaneous Provisions.**

- a. A waiver of enforcement of any provision of this Contract shall not constitute a waiver of any other provision of this Contract nor shall it preclude the affected party from subsequently enforcing such provision.
- b. The headings contained in this Contract are intended for ease of reference only and shall not be interpreted to limit or modify any of the provisions of this Contract.

23. **Spoliation – Notice of Potential Claims.** The Contractor shall promptly notify the Commission of all claims and potential claims that arise, result from, or are related to this Contract. The Contractor shall also take all reasonable steps to preserve all physical evidence and information that may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and grants to the Commission the opportunity to review and inspect the evidence, including the scene of an accident or documentation involved in such claim or potential claim.

24. **Attorney Fees.** In the event a lawsuit is instituted by the Commission to obtain performance due under this Contract, and the Commission is the prevailing party, the Contractor shall, except when prohibited by statute or other rule of law, pay the Commission's reasonable attorney fees and costs in connection with the lawsuit.

25. **Work Product, Equipment, and Materials.** All work product, equipment, or materials created or purchased under this Contract belong to the Commission and must be delivered to the Commission at the Commission's request upon termination of this Contract. The Contractor agrees that all materials prepared under this Contract are "works for hire" within the meaning of the copyright laws of the United States and assigns to the Commission all rights and interests the Contractor may have in the materials it prepares under this Contract, including any right to derivative use of the material. The Contractor

shall execute all necessary documents to enable the Commission to protect its copyrights under this section.

26. **Representations and Warranties.** The Contractor represents and warrants to the Commission that neither the Contractor, in connection with performing the services in performance of this Contract, nor the completed product delivered by the Contractor, will infringe any patent, copyright, trademark, trade secret, or other proprietary right of any person. The Contractor further represents and warrants to the Commission that it will not use any trade secrets or confidential or proprietary information owned by any third party in performing the services related to this contract or in delivery of the completed product, unless it has obtained the appropriate and legal license to use the same in execution of its services under this Contract. The Contractor further represents and warrants to the Commission that neither the Contractor nor any other company or individual performing services pursuant to this Contract is under any obligation to assign or give any work done under this Contract to any third party.
27. **Counterparts.** This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Contract delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Contract.
28. **Effectiveness of Contract.** This Contract is not effective until fully executed by both parties through their authorized representatives. Upon full execution, the Contract shall be effective as of the day and year first above written.

IN WITNESS WHEREOF, the parties hereto have executed this Contract, effective as of the day and year first above written.

**NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or owner's official representative authorized to legally bind the Reporting Entity must certify the truth of the questionnaire answers.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at ITServiceDesk@osc.ny.gov or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <https://www.osc.state.ny.us/files/vendors/2017-11/vendor-questionnaire-definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor must read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered fully. Each response must provide **all** relevant information to appropriately explain the answer. If you have concerns as to the legal requirements behind your answers, please seek clarification from your counsel. However, information regarding a determination or finding made in error which was subsequently corrected or overturned, and/or was withdrawn by the issuing government entity is not required to be identified. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity, or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity. Please refer to the Definitions List for the complete definition.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS: REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The New York State Gaming Commission (the “Commission”) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Commission, to fully comply and cooperate with the Commission in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.
- C. Failure to comply with all the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this Appendix and such other remedies are available to the Commission pursuant to the Contract and applicable law.

II. MWBE Contract Goals

- A. For purposes of this solicitation, the Commission hereby establishes an overall goal of **30%** for MWBE participation based on the current availability of qualified MBEs and WBEs.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II-A hereof, the Contractor should reference the directory of MWBEs at the following internet address: <https://ny.newnycontracts.com>. Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 or mwbebusinessdev@esd.ny.gov to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a supplier that shall be 60% of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.
- D. The Contractor must document "good faith efforts," pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
1. Evidence of outreach to MWBEs;
 2. Any responses by MWBEs to the Contractor's outreach;
 3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Commission with MWBEs; and,
 5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

III. Equal Employment Opportunity ("EEO")

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

B. In performing the Contract, the Contractor shall:

1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination, and rates of pay or other forms of compensation.
2. The Contractor shall submit an EEO policy statement to the Commission within seventy-two (72) hours after the date of the notice by the Commission to award the Contract to the Contractor.
3. If the Contractor, or Subcontractors, does not have an existing EEO policy statement, the Commission may provide the Contractor or Subcontractor a model statement (see Form I-1 Minority and Women-Owned Business Enterprises --Equal Employment Opportunity Policy Statement).
4. The Contractor's EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Staffing Plan—Form I-2

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal.

D. Workforce Audit Report

1. The Contractor shall submit a quarterly Workforce Audit Report, and shall require each of its subcontractors to submit a Workforce Audit Report, by the 10th day following the end of each quarter during the term of the contract. The form shall be submitted through the New York State Contract System (“NYSCS”) at <https://ny.newnycontracts.com>.

3. Pursuant to Executive Order #162, Contractors and Subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.

E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

- A. The Contractor shall complete a **proposed** MWBE Utilization Plan on Form I-3 and submit it as part of their bid or proposal. Upon execution of the contract, the Contractor shall submit a MWBE Utilization Plan through the NYSCS at <https://ny.newnycontracts.com>.
- B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
- C. The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Commission shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. Waivers—Form I-4

- A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver on Form I-4. Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable Contract Goals. The Commission shall evaluate the request and issue a written notice of approval or denial.
- B. If the Commission, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section VI, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued regarding such non-compliance, the Commission may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Commission, the Contractor shall pay such liquidated damages to the Commission within sixty (60) days after they are assessed. Provided, however, that the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

Article 3 of the New York State Veterans' Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. The New York State Gaming Commission (the “Commission”) recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Commission’s contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

I. SBVOB Contract Goals

- A. The Commission hereby establishes an overall goal of 6% for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Bidder/Contractor should reference the directory of New York State Certified SDVOBs found at: <https://ogs.ny.gov/veterans/>. Questions regarding compliance with SDVOB participation goals should be directed to the Commission’s Designated Contacts. Additionally, following Contract execution, Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs on the Contract.
- B. Contractor must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract (see clause IV below).
 1. Evidence of outreach to SDVOBs;
 2. Any responses by SDVOBs to the Contractor’s outreach;
 3. Copies of advertisements for participation by SDVOBs in appropriate general circulation,
 4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Commission with SDVOBs; and,
 5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for SDVOB participation.

II. SDVOB Utilization Plan – Form I-3

- A. In accordance with 9 NYCRR § 252.2(i), Bidders are required to submit a completed **proposed** SDVOB Utilization Plan on Form I-3 with their bid or proposal.
- B. The Contractor agrees to adhere to such SDVOB Utilization Plan in the performance of the Contract.
- C. The SDVOB Utilization Plan shall list the SDVOBs that the Bidder intends to use to perform the Contract, a description of the work that the Bidder intends the SDVOB to perform to meet the goals on the Contract, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the SDVOB Utilization Plan, the Bidder acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of an SDVOB Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to the Commission.
- D. The Commission will review the submitted SDVOB Utilization Plan and advise the Bidder/Contractor of the Commission's acceptance or issue a notice of deficiency.
- E. If a notice of deficiency is issued, Bidder/Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the Commission a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Commission to be inadequate, the Commission shall notify the Bidder/Contractor and direct the Bidder/Contractor to submit, within five business days of notification by the Commission, a request for a partial or total waiver of SDVOB participation goals on Form I-4. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- F. The Commission may disqualify a Bidder's bid or proposal as being non-responsive under the following circumstances:
 - 1. If a Bidder fails to submit an SDVOB Utilization Plan;
 - 2. If a Bidder fails to submit a written remedy to a notice of deficiency;
 - 3. If a Bidder fails to submit a request for waiver; or
 - 4. If the Commission determines that the Bidder has failed to document good faith efforts.
- G. If awarded a Contract, Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Contract pursuant to the prescribed SDVOB contract goals set forth above.

- H. Contractor further agrees that a failure to use SDVOBs as agreed in the SDVOB Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Commission shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

III. Request for Waiver—Form I-4

- A. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts at the Commission for guidance at gam.sm.gamingcompliance@gaming.ny.gov.
- B. In accordance with 9 NYCRR § 252.2(m), a Bidder/Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in clause IV below, may submit a request for a partial or total waiver on Form I-4, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by the Commission at that time, the provisions of clauses II (C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, the Commission shall evaluate the request and issue a written notice of acceptance or denial.
- C. Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Commission, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If the Commission, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (Form I-5) determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, the Commission may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

Waiver requests should be sent to the Commission at:

gam.sm.gamingcompliance@gaming.ny.gov.

IV. Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), Contractors must document their good faith efforts toward utilizing SDVOBs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

2. Explanation of the specific reasons each SDVOB that responded to Bidders/Contractors' solicitation was not selected.

3. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by the Commission with certified SDVOBs whom the Commission determined were capable of fulfilling the SDVOB goals set in the Contract.
4. Information describing the specific steps undertaken to reasonably structure the Contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.
5. Other information deemed relevant to the waiver request.

V. Monthly SDVOB Contractor Compliance Report- Form I-5

INSURER QUALIFICATIONS AND INSURANCE REQUIREMENTS

Insurer Qualifications

All insurance required under this RFQ must be written by an insurance company with a current rating of "A-" or better rated by A.M. Best & Co. and a record of successful continuous operation, that is licensed, admitted, and authorized to do business and issue relevant insurance in the State of New York, and that is approved by the Commission.

Required coverage and limits must be put into effect as of the effective date of the Contract and must remain in effect throughout the term of the Contract, as determined by the Commission.

Insurance Requirements

Prior to the start of work the Contractor¹ shall procure at its sole cost and expense, and shall maintain in force at all times during the term of the Contract, policies of insurance as herein below set forth, written by companies authorized by the New York State Department of Financial Services to issue insurance in the State of New York ("Admitted Carriers"). The Commission may, at its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when Certificates and/or other policy documentation is accompanied by a completed Excess Lines Association of New York ("ELANY") Affidavit; provided that nothing herein shall be construed to require the Commission to accept insurance placed with a non-authorized carrier under any circumstances.

Upon award, the Contractor shall deliver to the Commission evidence of such insurance coverage as defined below, including a copy of the relevant policy if requested, to the Commission's satisfaction. In the event there is a claim asserted that is covered by insurance and upon request of the Commission, the Contractor shall make any applicable policy required by this Contract available for inspection to the Commission upon the Commission's request, at Commission headquarters, during reasonable business hours.

Throughout the Contract period, the Contractor shall notify the Commission of any material changes to the policy, or any cancellations prior to the expiration date. The insurance carrier shall also send notification to the Commission of cancellation, termination, or failure to renew any policy in accordance with the policy provisions when practicable.

General Conditions

¹ Within the RFQ, the Contractor is also referred to as "Bidder", "Successful Bidder", "Firm", and "Vendor".

A. **Conditions Applicable to Insurance.** All policies of insurance required by the RFQ and the Contract must meet the following requirements:

1. Coverage Types and Policy Limits. The types of insurance coverage and policy limits required from the Contractor are specified in Paragraph B below – “Specific Coverages and Limits”.

2. Policy Forms. Policies must be written on an **occurrence** basis, except as may be otherwise specifically provided herein, or agreed to in writing by the Commission.

3. Certificates of Insurance/Notices. The Contractor shall provide a valid and complete Certificate or Certificates of Insurance, in a form satisfactory to the Commission, before commencing any work under the Contract. Certificates shall be mailed using the contact information provided in the RFQ. Upon request by the Commission, copies of the full insurance policy shall be provided to the Commission by the Contractor.

Unless otherwise agreed, policies shall be written so as to include a provision that the policy will not be canceled, materially changed, or not renewed without at least thirty (30) days prior written notice except for non-payment as required by law to the Commission.

Certificates of Insurance shall:

- a. Be in the form approved by the Commission.
- b. Disclose any deductible, self-insured retention, aggregate limit or any exclusion to the policy that materially changes the coverage required by the Contract.
- c. Specify the Additional Insureds and Named Insureds as required herein.
- d. Be signed by an authorized representative of the insurance carrier or producer.

4. Primary Coverage. All insurance policies, including, but not limited to, umbrella liability and excess liability policies, shall provide that the required coverage shall apply on a primary and not on either an excess or contributing basis as to any other insurance that may be available to the Commission. Any other insurance maintained by the Commission (including, but not limited to, self-insurance) shall be excess of and shall not contribute with the Contractor’s insurance regardless of the “other insurance” clause contained in the Contractor’s insurance policy(ies) and/or in any policies of insurance, or any self-insurance, maintained by the Commission or the State of New York.

5. Policy Renewal/Expiration. Upon policy renewal/expiration, evidence of renewal, or replacement of coverage that complies with the insurance requirements set forth in the RFQ and any Contract resulting from the RFQ shall be delivered to the Commission. If, at any time during the term of any Contract resulting from the RFQ, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in the RFQ, the resulting Contract, or proof thereof is not provided to the Commission, the Contractor shall immediately cease work. The Contractor shall not resume work until authorized to do so by the Commission.

6. Notice of Cancellation or Non-Renewal.

Policies shall be written to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five (5) business days of receipt of any notice of cancellation or non-renewal of insurance, the Contractor shall provide the Commission with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this RFQ and the resulting Contract.

7. Deadlines for Providing Insurance Documents after Renewal or Upon Request. As set forth herein, certain insurance documents must be provided to the Commission contact identified in the Contract Award Notice after renewal or upon request by the Commission. This requirement means that the Contractor shall provide any applicable insurance documents to the Commission as soon as possible, but in no event later than the following time periods:

- For certificates of insurance: five business days from request or renewal, whichever is later;
- For information on self-insurance or self-retention programs: 15 calendar days from request or renewal, whichever is later;
- For other requested documentation evidencing coverage: 15 calendar days from request or renewal, whichever is later;
- For additional insured and waiver of subrogation endorsements: 30 calendar days from request or renewal, whichever is later; and
- For notice of cancellation or non-renewal and proof of replacement coverage that complies with the requirements of this section: five business days from request or renewal, whichever is later.

Notwithstanding the foregoing, if the Contractor shall have promptly requested the insurance documents from its broker or insurer and shall have thereafter diligently taken all steps necessary to obtain such documents from its insurer and submit them to the Commission, but fails to provide the documents within the timeframes above, the Commission shall extend the time period for a

reasonable period under the circumstances, but in no event shall the extension exceed 30 calendar days from the Commission's original request.

8. Self-Insured Retention/Deductibles. Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Additional surety/security may be required in certain circumstances. The Contractor shall be solely responsible for all claim expenses and loss payments within the deductible or self-insured retention.

9. Subcontractors. Should the Contractor engage a subcontractor, the Contractor shall endeavor to impose the insurance requirements of this document on the subcontractor, as applicable. Required insurance limits should be determined commensurate with the work of the subcontractor. An Additional Insured endorsement evidencing such coverage shall be provided to the Contractor prior to the commencement of any work by a subcontractor and shall be provided to the Commission upon request. For subcontractors that are self-insured, the subcontractor shall be obligated to defend and indemnify the Additional Insureds required in paragraph A.(11), below, with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the subcontractor would have been required pursuant to this section had the subcontractor obtained insurance policies to provide such defense and indemnity. Proof of insurance or self-insured status shall be supplied to the Commission.

10. Waiver of Subrogation. For all liability policies, except Professional Liability and the workers' compensation insurance required below, the Contractor shall cause to be included in its policies insuring against loss, damage, or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against the State of New York, the Commission, and their respective commissioners, officers, agents, and employees. If such waiver is reasonably unobtainable, (i) an express agreement from the insurer that such policy shall not be invalidated if the Contractor waives or has waived before the casualty, any right of recovery against the State of New York, the Commission, and their respective commissioners, officers, agents, and employees or (ii) any other form of permission by the insurer, deemed acceptable by the Commission, for the release of the State of New York, the Commission, and their respective commissioners, officers, agents, and employees. A Waiver of Subrogation Endorsement shall be provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage and evidencing coverage on the Certificate of Insurance are also acceptable.

11. Additional Insureds. In each of the liability policies, excluding Professional Liability, required below, the Contractor shall cause coverage to be included for ongoing and completed operations, including, but not limited to, during any products and completed operations phases, naming as Additional Insureds the following:

the State of New York, the New York State Gaming Commission, and their respective commissioners, officers, agents, and employees.

Any such endorsement must specify that coverage is available to the Additional Insureds without limiting the scope of coverage available based on the source of negligent conduct otherwise covered under the pertinent insurance policy. In other words, the "Additional Insured" coverage conferred should be the same as if the Additional Insureds were included as Named Insureds on the insurance policy. If the Contractor is self-insured, the Contractor shall be obligated to defend and indemnify the above-named Additional Insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the Contractor would have been required to defend and indemnify pursuant to this Attachment had the Contractor obtained such insurance policies.

12. Excess/Umbrella Liability Policies. Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided upon request.

B. Specific Coverages and Limits. The types of insurance and minimum policy limits shall be as provided below.

1. **General Liability.** Commercial General Liability Insurance (CGL), shall be written on the current edition of ISO occurrence form CG 00 01, or a substitute form providing equivalent coverage and shall cover liability arising from premises operations, independent contractors, products-completed operations, broad form property damage, personal & advertising injury, cross liability coverage, and liability assumed in a contract (including the tort liability of another assumed in a contract). confidential data. Said insurance shall be maintained with a limit of not less than \$50,000,000.

Said insurance shall provide coverage for damages arising from, but not limited to, the following:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the New York State Lottery (the Lottery), an enterprise fund of the State of New York, as of and for the years ended March 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the Lottery's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the New York State Lottery as of March 31, 2022 and 2021, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lottery and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the Lottery's financial statements are intended to present the financial position and the changes in financial position and cash flows of the Lottery and do not purport to, and do not, present fairly the financial position of the State of New York, as of March 31, 2022 and 2021, the changes in its financial position, or, where applicable, its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

The Lottery's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lottery's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lottery's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

MITCHELL TITUS

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lottery's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the required schedules of the Lottery's proportionate share of the net pension liability for New York State and Local Employees' Retirement System, the Lottery's contributions for the New York State and Local Employees' Retirement System, and changes in the Lottery's total other postemployment benefits liability and related ratios on pages 4 through 10 and 41 through 43 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

OVERVIEW OF FINANCIAL STATEMENTS

The accrual basis recognizes revenue when earned, not when received. Likewise, expenses are recognized when incurred, not when paid. The Lottery prepares the following financial statements:

OVERVIEW OF FINANCIAL STATEMENTS *(continued)*

Statements of Net Position – This statement provides information on the nature and amount of the Lottery's assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position at the close of fiscal years 2022 and 2021. Current Assets – Current assets consist of cash and cash equivalents, accounts receivable, instant ticket inventory, and short-term investments. During fiscal year 2022, current assets increased by \$472.3 million, which represented an increase of 34.1% from the previous year. This increase was primarily a result of an increase in cash in education accounts. In fiscal year 2021, current assets increased by \$167.9 million, which represented a increase of 13.8% from the previous year. This increase was primarily a result of an increase in cash in administrative accounts and cash held for prizes pending.

Long-Term Investments, Net – During fiscal year 2022, long-term investments, net decreased by \$130.9 million, which represented a decrease of 11.4% from the previous year. This decrease was primarily a result of unfavorable market conditions. In fiscal year 2021, long-term investments, net decreased by \$158.5 million, which represented a decrease of 12.1% from the previous year. This decrease was primarily a result of unfavorable market conditions.

Capital Assets – Capital assets consist of equipment and leasehold improvements. During fiscal year 2022, no capital assets were added and \$0.4 million were disposed. Additional information about the Lottery's capital assets can be found in Note 1 of the notes to the basic financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

FINANCIAL ANALYSIS *(continued)*

Deferred Outflows of Resources – Deferred outflows of resources relate to deferred pension costs determined in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions—an Amendment of GASB Statement No. 27* (GASB Statement No. 68) and deferred other postemployment benefits (OPEB) determined in accordance with GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Deferred outflows of resources decreased by \$0.8 million in fiscal year 2022, which was a 4.0% decrease. In fiscal year 2021, deferred outflows of resources increased \$12.9 million, representing a 212.9% increase.

Current Liabilities – Current liabilities consist of prizes awarded in the past year that remain unclaimed, amounts due to Aid to Education, accrued expenses, accounts payable, the value of Lottery tickets purchased in advance of game drawings (unearned ticket sales), the short-term portion of long-term prizes payable, and amounts due to employees for unused vacation leave. In total, these accounts increased by \$419.5 million during fiscal year 2022 primarily due to an increase in the amounts due to aid to education. This change can be compared to the year ended March 31, 2021, when there was a \$27 million annual increase in total current liabilities.

Noncurrent Liabilities – Noncurrent liabilities consist of amounts due to be paid more than one year after the close of the fiscal year for installment prizes, pension and OPEB liabilities and unused employee vacation leave. During fiscal year 2022, noncurrent liabilities decreased by \$83.1 million, primarily due to the decrease of long-term prizes payable. During fiscal year 2021, noncurrent liabilities decreased by \$28.4 million, primarily due to the decrease of long-term prizes payable. Additional information about the Lottery's noncurrent liabilities can be found in Note 5 of the financial statements.

Deferred Inflows of Resources – Deferred inflows of resources relate to deferred pension costs and deferred OPEB determined in accordance with GASB Statement No. 68 and GASB Statement No. 75, respectively. Deferred inflows of resources increased by \$20.6 million in fiscal year 2022, which was a 453.0% increase from the previous year due to an increase in the net difference between projected and actual investment earnings on pension plan investments and changes of assumptions for OPEB deferred inflows. Deferred inflows of resources decreased by \$2.7 million in fiscal year 2021, which was a 37.0% decrease from the previous year due to a decrease in the net difference between projected and actual investment earnings on pension plan investments and a decrease in differences between expected and actual experience for OPEB deferred inflows.

Net Position – Restricted net position for future prizes consists of prize funds that are in excess of prizes actually claimed at the fiscal year end, but which is necessary to ensure future prize payments. For example, prize funds from past sales are utilized to pay an accumulating or future New York Lotto, Powerball, Mega Millions or Cash 4 Life jackpot or contribute toward a created but unclaimed instant ticket prize. These amounts are available by statute for this purpose.

Unrestricted net position presented on the statements of net position is largely the cumulative result of increases in the fair value of investments held by the Lottery to pay annuity prizes. Since the full maturity value of the investments is needed to pay the annuity prizes, the Lottery does not expect to realize any permanent gain on these investments.

Revenue – The New York Lottery exists for the sole purpose of raising revenue to help support Aid to Education. The Lottery achieves its mission through the sale of Lottery tickets at approximately 14,900 licensed retail locations across the State. The Lottery also achieves its mission through eight licensed video lottery gaming facilities located in Saratoga, Farmington, Hamburg, Batavia, Vernon, Yonkers, Suffolk and New York City.

During fiscal year 2022, the Lottery achieved \$3.7 billion in draw sales, \$4.5 billion in instant sales, and \$2.2 billion in video lottery gaming net machine income for a total of \$10.4 billion, an increase of \$1.761 billion, or 20.5%, over the previous fiscal year, primarily due to the reopening of video lottery facilities that were closed in fiscal year 2021 due to the COVID-19 pandemic. During fiscal year 2021, the Lottery achieved \$3.5 billion in draw sales, \$4.2 billion in instant sales, and \$900 million in video lottery gaming net machine income for a total of \$8.6 billion, a decrease of \$1.145 billion, or 11.8%, over the previous fiscal year, primarily due to the closure of video lottery gaming facilities due to the COVID-19 pandemic.

At the same time, retailer commissions increased by \$585.7 million to \$1.5 billion, and gaming contractor fees increased by \$112.4 million to \$248.7 million.

Prizes decreased by \$209.1 million to \$4.4 billion in fiscal year 2021. At the same time, retailer commissions decreased by \$505.6 million to \$903.5 million, and gaming contractor fees decreased by \$89.3 million to \$136.2 million.

Indirect Expenses – Indirect expenses include marketing, state agency charges, personal services, fringe benefits and other administrative costs. These costs were \$110.4 million during fiscal year 2022, an increase of 21.3% from the prior year. Corresponding costs in fiscal year 2021 were \$91 million, which was 30.2% lower than in fiscal year 2020.

Nonoperating Revenue (Expenses) – Nonoperating revenue and expenses consist of miscellaneous income plus the net growth or decline in the fair value of investments used to fund long-term prizes. Investment loss of \$30.7 million in 2022, loss of \$43.3 million in 2021, and income of \$217.1 million in 2020 consists of both the fair value adjustments of investments plus the normal growth of the value of the Lottery's investments as the securities move closer to maturity. The market-driven fair value adjustment, which is subject to considerable variance over time, is the primary factor causing significant differences from year to year.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

FINANCIAL ANALYSIS *(continued)*

Investment expense is a reflection of the Lottery expending the investment income to increase the valuation of the long-term prizes payable to winners. The amortized discount of prizes payable decreased by \$2.4 million from \$48.8 million in fiscal year 2021 to \$46.4 million in fiscal year 2022. The annual fair value adjustment of investments flows to the unrestricted net position balance on the statements of net position.

Income before Required Allocation and Change in Net Position – Revenue and expenses for fiscal year 2022 resulted in revenue before required allocation totaling \$3.5 billion. This amount consists of a required allocation for Aid to Education of \$3.6 billion that transfers out as a contribution for Aid to Education, a transfer in of \$90 million for a Lottery Aid Guarantee (see Note 1), and a \$16.4 million decrease in net position for the year. The \$16.4 million decrease in net position is a combination of a \$62.6 million increase in net position restricted for prizes and a \$79 million decrease in unrestricted net position. Revenue and expenses for fiscal year 2021 resulted in revenue before required allocation totaling \$2.9 billion. This amount consists of a required allocation for Aid to Education of \$3.6 billion that transfers out as a contribution for Aid to Education, a transfer in of \$692.8 for a Lottery Aid Guarantee (see Note 1), a transfer out of \$4.1 million to the NYS general fund (see Note 1) and a \$26.4 million increase in net position for the year. The \$26.4 million increase in net position is a combination of a \$117.4 million increase in net position restricted for prizes and a \$91.0 million decrease in unrestricted net position.

Summary and Outlook – As a mature business entity, the New York Lottery generally anticipates only moderate but steady growth from year to year. An opportunity to move beyond normal growth would not be expected unless there was an addition of new games or an expansion in gaming facilities.

NEW YORK STATE LOTTERY
Notes to Financial Statements
Years Ended March 31, 2022 and 2021

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The New York State Lottery (Lottery) was established in 1967. In 1976, the Lottery was placed under the Division of the Lottery, an independent unit of the New York State Department of Taxation and Finance, which operates in accordance with the provisions of the New York State Lottery for Education Law (Tax Law Article 34). On February 1, 2013, the Division of Lottery merged with the New York State Racing and Wagering Board into a single oversight entity called the New York State Gaming Commission, which was given responsibility to administer traditional and video lottery games as part of its overall responsibility for regulation and enforcement of gaming activity in New York. The purpose of the Lottery is to raise revenue for education in the State of New York (the State) through the administration of lottery games.

The accompanying financial statements are only those of the Lottery and do not present fairly the financial position of the State as of March 31, 2022 and 2021, and the changes in the State's financial position and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). The Lottery is included in the State's basic financial statements as an enterprise fund.

Basis of Presentation

The Lottery applies all applicable Governmental Accounting Standards Board (GASB) pronouncements and prepares its financial statements under the economic resources measurement focus, whereby all inflows, outflows and balances affecting net position are reported, and the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when incurred. The primary operating revenue of the Lottery is ticket sales from games. Nonoperating income consists mostly of investment income and unrealized gains on investments. Operating expenses consist of direct expenses for prizes, commissions to Lottery retailers, fees to gaming contractors, expenses for providing instant tickets to players, and telecommunications. Other operating expenses that are indirect to the results of each game include marketing, state agency charges, personal services, and fringe benefits. Nonoperating expense includes the amortization of the discount on long-term prizes payable.

The more significant accounting policies of the Lottery are described below:

Revenue Recognition

(i) Draw Games

Revenue from ticket sales for Lotto, Quick Draw, Take 5, Pick 10, Mega Millions, Powerball, Cash 4 Life, Numbers and Win 4 games, and promotional games (draw games) is recognized when the related drawing takes place. Receipts from subscription sales and other ticket sales for future drawings are recorded as unearned revenue and will not be recognized as revenue until the related drawings take place.

(continued)

Revenue Recognition *(continued)*

(ii) Instant Games

Revenue from Instant Games is recognized based on the dollar value of the total number of tickets available for sale. Tickets are available for sale upon being activated on the Lottery Validation System at the retailer locations.

(iii) Video Gaming

Revenue from video lottery gaming is recognized based on net machine income, which is defined as amounts played less prizes won.

Interactive Fantasy Sports

Article 14 of the New York State Racing, Pari-Mutuel Wagering and Breeding Law authorizes licensed entities to conduct interactive fantasy sports wagering. All taxes derived from the conduct of such activity is deposited into the interactive fantasy sports education account (a non-enterprise fund account). Chapter 56 of the Laws of 2021 authorized the deposit of \$5 million from the interactive fantasy sports education account to the lottery education account for supplemental aid to education. The amount deposited from interactive fantasy sports amounted to \$5 million in the fiscal years ended March 31, 2022 and March 31, 2021. The amount is recognized in other revenue, net in the financial statements.

Prize Expense

The Lottery recognizes prize expense for draw games equivalent to the actual prize liability incurred for each drawing. Prize expense for Instant Games is recognized when instant books are activated by retailers and is based on the percentage of sales allocated to prizes for each game. Video lottery revenue is reported net of prizes, so prize expense is not recognized on these games. Prize expense is adjusted accordingly for any prizes unclaimed within the time period allowed by law.

Years Ended March 31, 2022 and 2021

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Commissions and Fees

Retailers selling draw and Instant Game tickets receive a commission of 6% based on the total tickets sold. Video gaming facilities receive a varying percent of incremental annual net machine income according to provisions of Section 1612 of the New York State Tax Law. The particular percent applied to a range of net machine income can vary depending on the facility's number of video gaming machines, geographical area of the state, population level, or proximity to Native American gaming facilities. The full-service Lottery system contractor and the video gaming central processing contractor receive fees equal to a contractual percentage of the sales generated through the network maintained by the respective contractor. Video lottery terminal contractors are paid based on a base price percentage of revenue, plus the costs of any selected additional options outlined in each vendor's catalog. All other gaming contractors are paid fees based on the units of service provided (see Note 13).

Fund Transfers

The New York State budget guarantees the amount of education funding provided by the Lottery (Lottery Aid Guarantee) by way of a transfer from the New York State general fund. For fiscal year 2022, \$90,000,000 was transferred as a Lottery Aid Guarantee. In fiscal year 2021 a Lottery Aid Guarantee transfer of \$692,820,000 was required due to a COVID related decline in revenue.

The New York State budget authorizes the transfer of up to \$1 billion from any enterprise fund to the New York State general fund. For fiscal year 2021, \$4.1 million was transferred from Lottery administrative expense funds to the New York State general fund. No such transfer occurred in fiscal year 2022.

Accounts Receivable

Accounts receivable primarily represent amounts due from retailers through a Lottery gaming contractor and amounts due from video lottery gaming facilities, net of commissions and fees, as well as amounts due from agents for Instant Game tickets that have been activated, but not yet settled. Instant ticket settlements occur within 45 days after a book of tickets is activated. Video lottery gaming receivables are received two business days after each sales day and draw games are collected within four business days after the close of each sales week.

Allocation of Revenue from Ticket Sales

The allocation of ticket sales is made in accordance with the provisions of the New York State Lottery for Education Law, which requires:

- Allocations of ticket sales revenue to New York for educational purposes are to be at least 20.75% for the New York State Lottery Instant Games, 30.00% for multi-state games such as Mega Millions, Powerball, Cash 4 Life, 35.00% for Take 5, Numbers, Win-4, and Pick 10, 45.00% for Lotto and promotional games, and 25.00% for Quick Draw. In addition, the Lottery has statutory authority to issue up to five Instant Games per year with at least 10.75% for educational purposes. For video lottery, the required allocation to education is a varying percent of each facility's annual incremental net machine income, generally dependent on the facilities' geographic location.
- Allocations of ticket sales revenue for the payment of lottery prizes are not to exceed 64.25% for the New York State Lottery Instant Games, 55.00% for multi-state games, such as Mega Millions, Powerball, Cash 4 Life, 50.00% for Take 5, Numbers, Win-4, and Pick 10, 40.00% for Lotto and 60.00% for Quick Draw. In addition, the Lottery has statutory authority to issue up to five Instant Games per year with up to 74.25% allocated to prizes. Video lottery is required to pay prizes that average no less than 90% of gross sales.
- Allocations of ticket sales revenue from all traditional games for the payment of Lottery administrative expenses (including agent commissions and contractor fees) are not to exceed 15%. For video lottery, 10% of net revenue (the total revenue wagered after payout for prizes) is allocated for Lottery Administration. Unlike traditional games, the video lottery administrative allocation does not include commissions and fees, which are described separately (see previously within Commissions and Fees). Any excess of the maximum allocation over actual administrative expenses is allocated to education. Such allocations amounted to approximately \$338,446,124 and \$300,182,569 for fiscal years 2022 and 2021, respectively. Administrative expenses incurred by the Lottery represent telecommunications, advertising, salary and other operating costs.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Lottery considers cash equivalents to be amounts held with banks and amounts held under the joint custody of the Commissioner of Taxation and Finance and the Comptroller of the State through the Short-Term Investment Pool (STIP), which is used for the temporary investment of funds not required for immediate payments. Only investments with maturities of 90 days or less at the time of purchase are classified as cash equivalents.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Investments

Investments, consisting of U.S. Treasury bonds, U.S. Treasury strips, bonds guaranteed by U.S. Agency for International Development and New York City Transitional Finance Authority municipal bonds, are carried at fair value. Investment income represents accretion of bond discount, interest on bonds and deposits, and the change in fair value of investments.

Inventory

Instant Game tickets are purchased from printing vendors. Tickets not activated for sale are held in inventory and valued at cost by game. Tickets are charged to instant ticket direct expense under the first-in, first-out accounting method when activated for sale by lottery retailers. At the conclusion of an Instant Game, unused inventory is charged to instant ticket direct expense.

Capital Assets

Capital assets consist of equipment and leasehold improvements, which are carried at historical cost. Equipment is capitalized when it has cost in excess of \$40,000 and a useful life of two years or more. Leasehold improvements are capitalized when they have a cost of \$100,000 or more. Depreciation of equipment is computed using the straight-line method over five years, the estimated useful lives of the assets. Leasehold improvements and equipment acquired under capital leases are amortized using the straight-line method over ten and five years, respectively, which is the lesser of their useful lives or the term of the leases. Changes in capital assets and related accumulated depreciation are shown in the table below, by major class of asset, for the years ended March 31, 2022 and 2021 (in thousands).

	2020	Additions	Deletions	2021	Additions	Deletions	2022
<i>Leasehold improvements</i>							
Cost	\$ 4,526	\$ -	\$ -	\$ 4,526	\$ -	\$ -	\$ 4,526

Total	\$ 72	\$ (20)	\$ -	\$ 52	\$ (20)	\$ -	\$ 32

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation or amortization are removed from the accounts and any resulting gain or loss is reflected in other revenue, net in the period of disposal.

Prizes Payable

Lotto, Powerball, Mega Millions and Cash 4 Life jackpot players have the option of selecting a lump-sum payment or a long-term annuity payment. Some Instant Games also have jackpot prizes that are long-term annuity payments. Prizes payable represents the liability for those prizes, which are payable in annual installments. Such prize payments are funded by the Lottery's investments. The amortization of the long-term annuity payment discount is recorded as investment expense in the accompanying statements of revenue, expenses and changes in net position. Any excess of investment maturities over related annuity prize payments is recorded in restricted net position and made available for future prizes.

Unclaimed Prizes

Unclaimed prizes as of March 31, 2022 and 2021 were \$538,966,000 and \$462,618,000, respectively. Prizes unclaimed for one year after the drawing date (lapsed) are forfeited by the ticket holder. Total prizes lapsed amounted to approximately \$112,831,000 and \$232,776,000 for fiscal years 2022 and 2021, respectively. These forfeited prizes are netted against prize expense in the accompanying statements of revenue, expense, and changes in net position.

Pursuant to New York State Tax Law Section 1614, the Lottery retains forfeited prizes for supplemental prizes in subsequent lottery games. During the fiscal years 2022 and 2021, these supplemental prizes were used for Mega Millions, Powerball, Cash 4 Life, Lotto, Quick Draw, Take 5, Numbers, Win 4, and various Instant Games. New York State Tax Law Section 1614 requires any lapsed prizes in excess of sixty million dollars for the fiscal year to be allocated to Education. The total amount of lapsed prizes (including the Lottery's share of multi-state games) and interest on such funds allocated to Aid to Education for fiscal years 2022 and 2021 was approximately \$55,099,255 and \$176,236,000, respectively.

Restricted Net Position

Restricted net position for prizes includes forfeited prizes and other prize assets that are restricted under New York State Tax Law Sections 1612 and 1614 for the purpose of meeting future prize expense.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported and disclosed in the financial statements and related notes. Actual results could differ from those estimates.

Recently Issued Accounting Pronouncements

During 2017, the GASB issued Statement No. 87, *Leases* (GASB Statement No. 87). The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and inflows of resources or outflows of resources recognized based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. GASB Statement No. 87 is effective for the Lottery's March 31, 2023 financial statements. The Lottery is evaluating the impact of this Statement on the financial statements.

In January 2020, the GASB issued Statement No. 92, *Omnibus 2020*. The objectives of this Statement are to enhance the comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. Implementation of GASB 92 is planned for fiscal years 2022 and 2023. There was no impact to the Lottery's financial statements for fiscal year 2022. Currently, the Lottery is evaluating the impact of GASB No. 92 on the financial statements for fiscal 2023.

Recently Issued Accounting Pronouncements (continued)

During 2020, the GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements* (GASB 96). The objective of this Statement is to better meet the information needs of financial statement users by establishing uniform accounting and financial reporting requirements for subscription-based information technology arrangements (SBITA). The SBITA is defined as a contract that conveys the control of the right to use another party's information technology software, alone or in combination with tangible capital assets, as specified in the contract for a period of time in an exchange or exchange like transaction. This Statement increases the usefulness of governments' financial statements by requiring recognition of an intangible SBITA asset and corresponding subscription liability. This Statement also provides capitalization criteria for outlays other than subscription payments including implementation costs of an SBITA and requires certain note disclosures. GASB 96 is effective for the Lottery's March 31, 2024 financial statements. Currently, the Lottery is evaluating the impact of GASB No. 96 on the financial statements.

During 2020, the GASB issued Statement No. 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*. The objectives of this Statement are to better meet the information needs of financial statement users relating to Section 457 plans of fiduciary component units and mitigate costs associated with the reporting of certain defined plans. This Statement establishes the criteria for determining whether a primary government is financially accountable for a potential component unit and requires that a Section 457 plan be classified as either a pension plan or another employee benefit plan depending on whether the plan meets the definition of a pension plan. GASB No. 97 is effective for the Lottery's fiscal year ending March 31, 2023. Currently, the Lottery is evaluating the impact of GASB No. 97 on the financial statements.

During 2021, the GASB issued Statement No. 98, *The Annual Comprehensive Financial Report*. This Statement establishes the term *annual comprehensive financial report* and its acronym ACFR. There was no material impact to the financial statements as a result of adopting GASB 98.

During 2022, the GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. Implementation of GASB 99 is required for fiscal years 2022, 2024 and 2025. There was no material impact to the financial statements as a result of adopting and implementing GASB 99 for the 2022 financial statements. Currently, the Lottery is evaluating the impact of GASB 99 on the 2024 and 2025 financial statements.

(continued)

Recently Issued Accounting Pronouncements (continued)

During 2022, the GASB issued Statement No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. Currently, the Lottery is evaluating the impact of GASB 100 on the 2025 financial statements.

During 2022, the GASB issued Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. Currently, the Lottery is evaluating the impact of GASB 101 on the 2025 financial statements.

NOTE 2 CASH AND CASH EQUIVALENTS

Lottery deposits of cash and cash equivalents are made in accordance with New York State Finance Law Sections 92c and 98a and New York State Tax Law Sections 1611 and 1612. Lottery sales receipts are allocated and deposited in separate fund accounts for prizes, education, and administration under the joint custody of the Commissioner of Taxation and Finance and the Comptroller of the State of New York. Per Section 98a of the New York State Finance Law, the accounts for prizes and administration earn interest through participation in a STIP administered by the Office of the State Comptroller of the State of New York. The prize account interest is used for future lottery prizes. The STIP is reported at amortized cost. The carrying amount of the joint custody accounts included in cash and cash equivalents was \$1,234,122,000 and \$738,695,000 as of March 31, 2022 and 2021, respectively.

The Lottery also maintains sole custody accounts that are used for daily cash management purposes. The Lottery manages the investment of its cash balances to minimize its uninvested funds. As of March 31, 2022 and 2021, the amount of sole custody accounts included in cash and cash equivalents was \$32,534,000 and \$26,448,000, respectively.

NOTE 2 CASH AND CASH EQUIVALENTS *(continued)*

The Lottery's deposits are collateralized under a program administered by the Office of the State Comptroller of the State of New York. To manage custodial credit risk, the State requires that its depository banks pledge collateral based on available bank balances. All securities pledged as collateral are held by the State's fiscal agent in the name of the State. The Lottery's deposits with financial institutions were fully collateralized at fiscal year end. The Lottery manages custodial credit risk by using several financial institutions and by minimizing balances in the sole custody accounts.

NOTE 3 INVESTMENTS

The Lottery is authorized by the Office of the State Comptroller per State statute to invest prize funds, which will provide for the payment of prizes payable (see Note 4). The Lottery invests in U.S. Treasury bonds, U.S. Treasury strips, bonds guaranteed by the U.S. Agency for International Development and New York City Transitional Finance Authority municipal bonds, which are guaranteed by the full faith and credit of the United States. The fair value of these investments as of March 31, 2022 and 2021 was \$1,117,737,000 and \$1,263,112,000, respectively. During fiscal years 2022 and 2021, approximately \$26,578,000 and \$28,043,000, respectively, of amortized discount was included in investment income.

The amortized costs of these investments consisted of the following at March 31 (in thousands):

	<u>2022</u>	<u>2021</u>
Maturity value	\$ 1,242,397	\$ 1,330,881
Unamortized discount	<u>(229,184)</u>	<u>(250,212)</u>
Total at amortized cost	1,013,213	1,080,669
Less: Investments, maturing within one year, at amortized cost	<u>95,990</u>	<u>107,804</u>
Long-term investments, at amortized cost	<u><u>\$ 917,223</u></u>	<u><u>\$ 972,865</u></u>

The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels. Level 1 inputs are quoted prices (unadjusted) for identical assets or liabilities in active markets that a government can access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for an asset or liability. The fair value hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs.

NOTE 3 INVESTMENTS *(continued)*

Fair value of the Lottery's investments are measured by Level 1 inputs based upon quoted prices in active markets or Level 2 inputs based upon quoted prices for identical or similar assets in markets that are not active or other observable inputs such as interest rates and yield curves observable at commonly quoted intervals. There are no Level 3 investments as of March 31, 2022 and 2021.

The fair values of the U.S. Government obligations were valued using quoted market prices (Level 1). Bonds guaranteed by the U.S. Agency for International Development and New York City Transitional Finance Authority bonds are valued at the closing price reported on the markets not actively traded (Level 2).

Balances and fair value measurements of the Lottery's investments as of March 31 were as follows (in thousands):

NOTE 3 INVESTMENTS *(continued)*

Credit risk is the risk that an issuer will not fulfill its obligations. The Lottery's policy is to follow New York State law, which limits the investments that the Lottery can make and generally limits the Lottery's exposure to credit risk. The Lottery has generally limited its investments to obligations backed by the full faith of the U.S. Government. Beginning in 2011, the Lottery held similarly rated New York City Transitional Finance Authority municipal bonds. The credit ratings of the Lottery's investments as published by Moody's and Standard & Poor's are included below for those investments where credit ratings were available.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Lottery's policy for managing this risk is generally to hold investment securities to maturity, at which time the fair value of the investment is equal to its stated maturity value.

As of March 31, 2022 and 2021, the Lottery had the following investments and maturities (amounts in thousands):

Investment Type	2022 Fair Value	Moody's Credit Rating	S&P Credit Rating	2022 Investment Maturities (Fair Value)

Custodial credit risk for investments is the risk that in the event of the failure of the counterparty to perform on a transaction, the Lottery will not be able to recover the value of investment securities that are in the possession of an outside party. To manage this risk, all of the Lottery's investments are insured or registered securities held by the Lottery or its agent in the Lottery's name.

NOTE 7 PENSION BENEFITS

Substantially all employees of the Lottery are members of the State and Local Employees' Retirement System (ERS). The program is part of the State and Local Retirement System (the System), which is a cost-sharing, multi-employer public employee retirement system. The Comptroller of the State of New York is the sole trustee and administrative head of the System.

NEW YORK STATE LOTTERY
Notes to Financial Statements
Years Ended March 31, 2022 and 2021

NOTE 7 PENSION BENEFITS *(continued)*

For purposes of determining net pension liability and other pension-related amounts, information about the fiduciary net position of the ERS and additions to and deductions from the ERS fiduciary net position has been determined on the same basis reported by the System. The System issues a publicly available financial report that includes financial statements, expanded disclosures, and required supplementary information for the System. The report may be obtained by writing to the New York State and Local Retirement System, Office of the State Comptroller, 110 State Street, Albany, New York, 12244-0001, or at www.osc.state.ny.us/pension/cafr.htm.

The System provides retirement benefits as well as death and disability benefits. Retirement benefits are established by the New York State Retirement and Social Security Law. Vesting, retirement benefits, and contributory requirements depend upon the point in time at which an employee last joined the System. Most members of the System who joined before July 27, 1976 are enrolled in a noncontributory plan; the Lottery contributes the entire amount determined to be payable to the System. Personnel who joined the System on or after July 27, 1976 are required by law to contribute some percent of their gross salary for a specified number of years of employment; the Lottery withholds and contributes the balance payable to the System for these employees.

The Lottery paid to the Office of the State Comptroller of the State of New York \$2,863,000 and \$2,719,000 during fiscal years 2022 and 2021, respectively, to cover required employer contributions for retirement benefits, which equaled 100% of the required contribution in each year. These payments represented 18.06% and 16.96% of covered payroll for 2022 and 2021, respectively.

Net Pension Liabilities and Other Pension-Related Amounts

The Lottery recognized a net pension liability of \$39,913 and \$11,987,968 as of March 31, 2022 and 2021, respectively, for its proportionate share of the ERS net pension liability.

The State's proportionate share of the collective net pension liability reported at March 31, 2022, was measured as of March 31, 2021, and was determined using an actuarial valuation as of April 1, 2020, with updated procedures used to roll forward the total pension liability to March 31, 2021. The State of New York's proportion of the ERS net pension liability measured as of March 31, 2021, was 43% for the ERS, which was comparable with the proportions allocated to the State as of March 31, 2020 of 43%. The State's proportion related to the plan was determined consistently with the manner in which contributions to the pension plan are determined. The State's total projected long-term contribution effort to the ERS was compared to the total projected long-term contribution effort from all employers to the ERS in order to determine the State's proportion of the plan's net pension liability.

Net Pension Liabilities and Other Pension-Related Amounts *(continued)*

The Office of the State Comptroller provided the Lottery with its proportionate share of the ERS collective liability. The statewide proportionate share of the ERS collective net pension liability measured as of March 31, 2021 and 2020 allocated to the Lottery enterprise fund was 0.09% and 0.11%, respectively.

Actuarial Assumptions

The total pension liability for the March 31, 2021 measurement date was determined by using an actuarial valuation as of April 1, 2020, with update procedures used to roll forward the total pension liability to March 31, 2021. The total pension liability for the March 31, 2020 measurement date was determined by using an actuarial valuation as of April 1, 2019, with update procedures used to roll forward the total pension liability to March 31, 2020. The actuarial valuation for the ERS used the following actuarial assumptions for the valuations as of April 1, 2020 and 2019:

Actuarial cost method	Entry age normal
Inflation	2.7% (2020); 2.5% (2019)
Salary scale	4.4% (2020); 4.2% (2019)
Investment rate of return, including inflation	5.9% (2020); 6.8% (2019) compounded annually, net of investment expenses
Cost-of-living adjustments	1.4% (2020); 1.3% (2019) annually
Decrement	Based upon fiscal year 2016-20 experience (2020) 2011-2015 experience (2019)
Pensioner mortality	Gender/Collar specific tables based upon fiscal year 2016-2020 experience (2020); 2011-2015 experience (2019)
Mortality improvement	Society of Actuaries Scale MP-2020 (2020); Society of Actuaries Scale MP-2018 (2019)

Expected Rate of Return

The long-term expected rate of return on pension plan investments was determined in accordance with Actuarial Standard of Practice (ASOP) No. 27, *Selection of Economic Assumptions for Measuring Pension Obligations*. ASOP No. 27 provides guidance on the selection of an appropriate assumed investment rate of return. Consideration was given to expected future real rates of return (expected returns, net of pension plan investment expense and inflation) for equities and fixed income as well as historical investment data and plan performance. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized below:

Discount Rate

The discount rate used to calculate the ERS total pension liability at March 31, 2022 and 2021 was 5.9% and 6.8%, respectively. The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from employers will be made at statutorily required rates, actuarially. Based upon the assumptions, the System's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

NOTE 9 DEFERRED COMPENSATION

The State offers its employees, including Lottery employees, a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, which is available to all employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. All amounts of compensation deferred under the plan are placed in trust for the participants and their beneficiaries.

NOTE 10 OTHER POSTEMPLOYMENT BENEFITS

General Information about the OPEB Plan

As a New York State (State) agency, the Lottery participates in the New York State Health Insurance Program (NYSHIP), which is administered by the State as a single-employer, defined benefit plan. The State has the authority to establish and amend benefit terms, as well as pay OPEB benefits as they come due. Under the plan, the State provides certain healthcare benefits for eligible retired employees and their dependents. In order to qualify, retirees must meet certain age requirements and minimum service periods that vary based on the time they last entered benefits-eligible service. Retirees generally contribute a percent of the cost of single and dependent coverage for health insurance benefits. The percent varies based on when the employee retired and the salary grade for those retiring on or after January 1, 2012. The State covers 100% of the cost of single coverage for employees retired prior to January 1, 1983 who are enrolled in the Empire Plan or another plan of equal or lower cost. The NYSHIP does not issue a stand-alone financial report and the NYSHIP's agent activities are included within the financial statements of the State.

During the fiscal years ended March 31, 2022 and 2021, NYSHIP provided health insurance coverage through the Empire Plan, an indemnity health insurance plan with managed care components; various Health Maintenance Organizations (HMOs); and through the Student Employee Health Plan (SEHP). Generally, these include hospital, medical, mental health, substance abuse benefits, and prescription drug benefits.

The Lottery's policy regarding retiree healthcare benefits is to pay the amounts billed through the State's fringe benefit rate on a pay-as-you-go basis. The Lottery has no obligation beyond the payment of the State's fringe benefit rate for retiree healthcare benefits.

There were 373 total Lottery employees and participants covered by the benefit terms, as follows: 201 active employees and 172 retirees and surviving spouses receiving benefit payments. There were annual pay-as-you-go disbursements of \$2,377,840 and \$2,289,068 for 2022 and 2021, respectively. Retiree healthcare benefit costs are included in personnel service and fringe benefits expenses in the accompanying statements of revenue, expenses, and change in net position.

Actuarial Methods and Assumptions

As of March 31, 2022 and 2021, the Lottery reported a liability of \$66,213,025 and \$74,881,721, respectively, for its proportionate share of the net OPEB liability included in the accompanying statements of net position. The net OPEB liability as of March 31, 2022 and 2021 was measured as of March 31, 2021 and 2020, respectively, and was determined by an actuarial valuation as of April 1, 2020 and 2019, respectively, with updated procedures used to roll forward the net OPEB liability to March 31, 2021 and 2020, respectively.

NOTE 10 OTHER POSTEMPLOYMENT BENEFITS *(continued)*

Actuarial Methods and Assumptions *(continued)*

The State's proportion related to the plan was determined consistently with the manner in which OPEB actual expenses are paid. The Office of the State Comptroller provided the Lottery with its proportionate share of the OPEB liability. The statewide proportionate share of the OPEB liability measured as of March 31, 2022 and 2021 allocated to the Lottery enterprise fund was 0.126% each year.

The actuarial valuation included the following actuarial assumptions:

Actuarial cost method	Entry age normal
Inflation	2.5%
Discount rate	2.34% (2020); 2.84% (2019)
Mortality improvement	Society of Actuaries' Scale MP-2020 (2020); Society of Actuaries' Scale MP-2018 (2019);

The discount rate for fiscal years ended March 31, 2021 and 2020 is based on the Bond Buyer 20-year general obligation municipal bond index rate at March 31, 2021 and 2020, respectively.

The salary rate varies by years of service, starting at 8.8% and decreasing to 3.3% after 18 years of service.

For the measurement period ended March 31, 2021, the health care cost trend rates were split to reflect separate trends for pre-65 and post-65 claims. The pre-65 trend assumption begins at 5.75% and decreases to a 4.50% long-term trend rate for all health care benefits after seven years. The trend assumption for post-65 begins at 5.00% and decreases to a 4.50% long-term trend rate for all health care benefits after seven years. The drug assumption begins at 7.00% and decreases to a 4.50% long-term trend rate after seven years.

For the measurement period ended March 31, 2020, the health care cost trend rates were split to reflect separate trends for pre-65 and post-65 claims. The pre-65 trend assumption begins at 6.25% and decreases to a 4.50% long-term trend rate for all health care benefits after eight years. The trend assumption for post-65 begins at 5.20% and decreases to a 4.50% long-term trend rate for all health care benefits after eight years. The drug assumption begins at 9.00% and decreases to a 4.50% long-term trend rate after seven years.

Additionally, a trend of 3.00% per year has been assumed for employer group waiver plan benefits.

There were no significant changes in actuarial assumptions or other inputs, as of the March 31, 2021 measurement date described above, which affected the measurement of the collective total OPEB liability since the prior measurement date as of March 31, 2020.

Video lottery games are offered on approximately 16,900 video gaming machines spread over nine video lottery gaming facilities. Everi Games, Inc. provides a central processing system for the operation of video lottery games under a contract expiring on December 31, 2029. Video lottery gaming machines are provided by vendors under contracts expiring on December 31, 2029. These contracts are paid based on a base price percentage of revenue, plus the costs of any selected additional options outlined in each vendor's catalog.

Litigation

The Lottery has been named as a defendant in several lawsuits. While the ultimate outcome of these lawsuits cannot be predicted at this time, it is the opinion of management and in-house counsel that the disposition of any litigation in which the Lottery is involved will not have a material adverse effect on the financial position of the Lottery.

Effects of COVID-19

On March 22, 2020, Governor Cuomo announced the "New York State on PAUSE" executive order in response to the global COVID-19 pandemic. Among other measures, the order closed all non-essential businesses statewide. Traditional lottery games were deemed essential and continued to operate. Consumer demand and retail points of sale were negatively affected. Video lottery gaming facilities were closed until September 2020, at which time they reopened at limited capacity. On June 15, 2021, restrictions on the number of people permitted to attend large-scale entertainment venues, including video lottery gaming facilities were discontinued. During the period of closure, there was no revenue from video lottery gaming. The loss of revenue from both traditional and video lottery games resulted in a Lottery Aid Guarantee from the State general fund of \$692,820,000 in 2021.
