

EXHIBIT VIII.C.9.c.

ENTERTAINMENT VENUES

Entertainment Venues Contemplated

Submit as Exhibit VIII.C.9.c. a description of the extent to which entertainment venues and plans are contemplated to be used for casino and/or other marketing. Include the manner in which the Gaming Facility will enhance entertainment venues already existing in the Host Municipality and nearby municipalities.

Montreign Resort Casino's entertainment will be a part of our integrated marketing plan for Montreign and Adelaar. Our entertainment options will feature a variety of entertainment in diverse venues, as more fully discussed in Exhibit VIII.C.9.a.

Montreign's and Adelaar operations will enhance the opportunities for existing entertainment venues in the Town of Thompson by driving substantially more visitors year round to the region. This will provide the opportunity for Montreign and Adelaar guests to experience other

entertainment outside of the Gaming Facility. In addition, Montreign intends to enter into cross marketing agreements with other regional entertainment providers where player points may be redeemed for entry cost. Finally, Montreign will have an interactive map of the region's entertainment, recreational, restaurant and retail offerings, supported with informational brochures available in the hotel lobby.

Montreign intends to complement the acts offered by Bethel Woods Center for the Arts and is presently negotiating an agreement with Bethel Woods that includes cross marketing efforts and coordination of entertainment events at Montreign so as not to adversely impact the live entertainment offered by Bethel Woods. Montreign also intends to offer a limited number of named major acts in its M Centre (six to eight annually), and such acts will be offered during the period that Bethel Woods is dormant. Entertainment acts in the Spotlight Theatre will be lesser known, and some of which will be reviews and comedy acts. In both situations, Montreign will coordinate scheduling of the entertainment with the affected non-profit entertainment venue.

Entertainment acts in Raine, the Bistecca Lounge and Alchemy will be drawn from local and regional areas. These acts will provide limited to no direct competition with, and will complement entertainment at, Bethel Woods.

Entertainment at the Indoor Waterpark Lodge will be geared more for family entertainment, and the Entertainment Village will offer a comedy club, both of which will complement the impacted entertainment venues in our Region.
