Mr. Michael Treanor

Nevele Resort, Casino & Spa

Government Center, Fifth Floor

P.O. Box 388

Ellenville, NY 12428

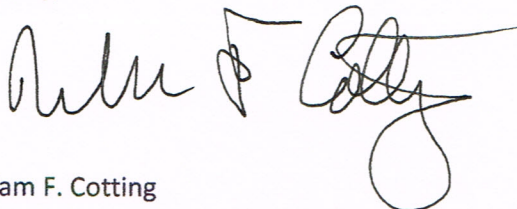

Dear Mr. Treanor,

This letter is to confirm that Central Hudson can serve the electric needs for the proposed Nevele Resort, Casino & Spa, to be located off NYS Rt 209 in the Town of Wawarsing, New York affirmatively and without reservation.

Though we have received preliminary electric load information and have begun engineering studies, once the project has final approval, Central Hudson would require a final electric load letter. Once our final engineering study is complete and project costs have been determined, any associated customer contributions, if any, would be identified and provided to you.

If you should have any questions, please feel free to contact me at 845-334-3513.

Sincerely,

William F. Cotting
