Dear Mr. and Mrs. Canceleno,

By this letter the Nevele Resort, Casino & Spa would like to confirm its commitment to using the Village Cleaners for our uniform dry-cleaning needs. The Nevele fully supports local, environmentally friendly businesses, and will be pleased to utilize your services. Once the Nevele is awarded a casino license, we will be ready to draw up a contract with Village Cleaners to dry-clean our staff uniforms which we estimate to be 10,000 pieces a week. The Nevele looks forward to working with you in the future.

Sincerely,

Kathi Meci, Interim CEO
