Re: Support of Award of Casino License
to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

I was born in Tioga County in 1970 and during my years growing up I remember the "Hay Days" of the racing track and its weekly racing activity. I also remember the many years the property stood vacant and the unattractiveness and blight it showed in the local community.

I was extremely encouraged and looked forward to the addition of Tioga Downs back into the Nichols community. I believe the addition of the casino will promote additional growth in local tourism, bring in additional out-of-state dollars, and create many additional employment opportunities. As a local business owner I am encouraged by the opportunity of a conference center to host and attract additional business to the local area.

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Charles W. Klett
President/CEO

Re: Support of Award of Casino License
To Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact of the annual revenue to our local schools, and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2011, Tioga County was devastated by flooding. The losses the community and businesses endured were staggering.

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission,

Sincerely,

Tioga

Dear LeeAnn,

As a local small business owner, I am writing to support the expansion of casino gaming at Tioga Downs in Nichols, NY.

Tioga Downs has been an outstanding community supporter in multiple ways, most notably as a generous and visible helping hand during the devastating flood of 2011. Their presence has given our small, economically challenged county, real hope and a sense of optimism.

Tioga Downs has established itself as an important tourism destination for both horse races, slot machines, concerts and other unique entertainment opportunities.

I submit to the committee that the selection of Tioga Downs as the awardee of the casino license will provide a tremendous and far reaching economic and social benefit to the Southern Tier.

Sincerely,

Wayne Middendorf

Dear Ms. Tinney:

Field Afar Properties, an area property management company, recognizes and supports the expansion of Tioga Downs to include gaming activities. With the expansion of “The Downs” the overall benefits to the region will range from an expansion of tourism to the attraction of a younger population. County and regional economic development will be enhanced significantly through out-of-state dollars from both tourists and neighboring Pennsylvania residents. In addition, as a Finger Lakes Gateway community, Tioga County will realize improved recognition as a “destination” for various activities ranging from recreational to employee recruitment.

A decision to support the expansion of Tioga Downs is important to the economic viability of this region for decades to come as our public schools will benefit from an expansion in their tax base with improved quality of instruction. The expansion of Tioga Downs will be a “game changer” for our towns and villages.

Dear Ms. Tinney:

As a Tioga County-based business, CPSI Biotech, Inc. supports casino development at Tioga Downs. While we recognize the economic and tourism benefits that will accrue to the region with this development, CPSI Biotech also recognizes the benefits Tioga Downs will offer related to work force retention. Critical to our future are both the retention and attraction of young skilled workers. We recruit employee prospects from area universities including Cornell, Binghamton and Elmira. Tioga Downs will provide these individuals with some of the alternative recreational activities that they seek.

Today, there is a shortage of area attractions for this employee pool and retention is difficult. With the expansion of Tioga Downs to include gaming, a conference center, concerts and racing. We will be better able to recruit a talented workforce and grow our business.

I am writing this letter in support of Tioga Downs Casino. I am a Tioga County Resident and local Small Business Owner. When it became apparent that the question of casino licenses were going to make the ballot last fall, Mr. Gural heavily advertised and spent a lot of time and money in support of it, while others who were interested in the license sat back on the sidelines and did nothing until the proposition was passed and now, they want the benefit of Mr. Gural's hard work, time and money.

Mr. Gural and Tioga Downs constantly and consistently continues to show support to many of the local organizations and businesses on a regular basis.

My husband and I frequently patron Tioga Downs. We are pleased with Mr. Gural taking a building which had been vacant for many years and transform it into Tioga Downs.

Mr. Gural deserves the license, because of his time, commitment, community support. When the state considers awarding a license for the Southern Tier, I believe Tioga Downs should not be overlooked, one can see what Mr. Gural and Tioga Downs has done for the community with reusing and renovating a building that already existed, bringing both employment and revenue to the community and his continued support locally. When it comes time to award a license, Tioga Downs should be first and only in line in the area.

Dear Mrs. Tinney,

Please accept this letter of support for Tioga Downs being chosen and awarded the new gaming license in New York. Tioga Downs and Mr. Jeffrey Gural have already proven to the Southern Tier they are a valuable community member, business leader and a good neighbor. They have proven to be successful running their business and will continue to be even more successful if chosen to build the casino in Tioga County. They have created jobs, paid taxes and been a good neighbor and if chosen they will create additional jobs, pay even more taxes and continue to support local charities. They have helped the elderly, children, veterans and many more not only in Tioga County, but in all the adjacent counties. Tioga Downs and Mr. Gural have the experience; knowledge and the heart to build a successful casino which will help improve not only Tioga County, but the entire Southern Tier region.

Re: Support of Award of Casino License to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. Construction of a parking facility has been started and is scheduled for completion in the spring. In addition, in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2006 Tioga Downs assisted the area residents in recovery from flood conditions without hesitation. In 2011, Tioga County was devastated by flooding and again Tioga Downs was there to assist the area residents and the municipalities. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Dear Lee Ann:

As a long established insurance agency and business in Tioga County, we want to go on record to support the County's and Tioga Downs' efforts to secure the one casino license in the Southern Tier.

Tioga Downs has brought many jobs and clientele to Tioga County, bolstering our economy in a major way. Adding casino gambling to this established venue would significantly enhance its impact.

We feel that Tioga Downs has heavily invested private money in its Tioga County facility and deserves to be awarded the sole license for this area. Tioga Downs could incorporate casino gambling into its facilities very easily and quickly, resulting in the most expedient return on investment for itself, the County and NYS taxpayers.

We ask that the Award Committee give every consideration to Tioga Downs.

Sincerely,

Don D. Patterson

RE: Support for Tioga Downs being awarded the table game casino license.

To Whom It May Concern:

Scott Smith & Son Inc. is a 4th generation family owned business located in Tioga County. The owners of our company and its employee's share the feeling that Tioga Downs should be awarded the new casino license for the southern tier of New York. Presently Tioga Downs has been the single biggest asset to come to Tioga County in a very long time, and lord knows we needed something. Tioga Downs has been very supportive of all the communities within a large radius around it, as well as a great employer and financial supporter of the charitable organizations in our area. I recently sat on a committee to help our local Boys and Girls Club, who was in a financial bind and Tioga Downs was very helpful with providing both financial support as well as a person to help on the committee. They are always willing to get involved and a great example was their support after our devastating flood.

I believe that Tioga Downs has already made the investment to create an outstanding facility and have shown their commitment to supporting the community around it. And we truly believe they deserve to be awarded the new license. Being in business I have learned one thing, go with someone who has proven themselves as opposed to promises from someone who only says they can.

Honorable Governor Andrew Cuomo
Albany, NY

Dear Governor Cuomo:

I am a business owner in Tioga County and I am writing to you to express my thoughts regarding Tioga Downs Racino and the New York State gaming licenses.

Tioga Downs ; Jeff Gural has been a good neighbor to our local community and our county. During the 2011 flood Tioga Downs helped clean up the debris from each individual home along the River Rd area and within the Village of Nichols at NO charge. He donated a new rescue boat to the fire department and free food to people who needed a hot meal.

Broome County has many businesses and retail stores, plus Suny Binghamton and Broome Community College. All of these establishments help bring in sales tax and revenue in which help reduce property taxes and school taxes.

Tioga County DOES NOT have any large business to help with our local property and school taxes. We need this gaming license to keep Tioga Downs going. If given to Broome County, both casinos CAN NOT SURVIVE. One will have to close.

Please think about you decision, Jeff Gural advocated for proposition 1 on the November ballet. These other individuals just sat by and watched, waiting, hoping it would pass, and it did. These individuals are just riding on Tioga Downs coat tails.

TIOGA COUNTY NEEDS TIOGA DOWNS. Please consider the local businesses and local residents. We could use a boost in OUR ECONOMY!!! JOBS, REVENUE!!
Thank you for your time and consideration.

Sincerely,
Esther Woods

Re: Support for the Awarding of the NYS casino License to Tioga Downs, Nichols, NY

Dear Ms. Tinney,

This is a strong letter of my support for the expansion of gaming at Tioga Downs in Nichols, NY. As a Real Estate Broker and member of the Greater Binghamton and Elmira/Corning real estate associations, I see the greatest positive impact for New York is going to come from Tioga Downs. It is centered between Binghamton, Elmira, Ithaca and Towanda and is the natural gateway destination into the Finger Lakes.

- The Tioga downs team has already demonstrated successful experience in redeveloping an existing facility as well as significant experience in the entertainment and racing industry.
- Tioga County (which has a lower population base of approximately 51,000 to 200,000 in Broome County) will see a bigger boost in the economy than Broome which has many more anchor businesses as well as two higher education communities.
- Tioga Downs will be able to generate income quicker with fewer unknowns. It already is a destination area and has an extremely prominent location visible from route 17/86.
- It is obvious that the Tioga Downs people have thought this project through in detail as demonstrated by the fact that they were public with their plans long before the other companies entered the field and before the state obtained approval.

In my opinion, the biggest impact any person or entity can have is doing something where there was very little before. Tioga County has lots of land and towns ready to grow. With a smaller population base, these jobs will really be felt. With the loss of properties recently by flooding, an influx of new jobs can be part of the stimulus the county deserves.

If I'm the New York State selection committee, obviously I want to see the largest positive impact from the selection of a gaming license. Tioga County is it. Binghamton has successfully spent years developing itself as essentially a college town. I think you are either a college town or a casino town. Not both. The group in Johnson City is not experienced in this arena, do not seem well prepared (evidenced by their late entry into this debate) and have not canvassed their local residential neighbors about concerns.

Let's do the right thing here.

Sincerely,

What a terrific job you did this morning on our airwaves discussing Tioga Downs' application for a state gaming license. Thank you for braving the cold, and bringing such a compelling conversation.

As you know, we at Choice Radio have long supported Tioga Downs because of the economic impact the business means for the region...and because they are such good corporate neighbors to the community at large. We believe we share that same vision and commitment with the racino.

Therefore we are happy to throw our wholehearted support behind Tioga Downs' application for a state gaming license...and frankly have not heard from one person who doesn't share that view.

Keep up the good work advocating for what is good and right for Tioga County. We have our fingers crossed for Tioga Downs.

LeeAnn Tinney, Director
Tioga County Economic Development & Planning
56 Main Street
Owego, NY 13827

Re: Support of Award of Casino License
to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2011, Tioga County was devastated by flooding. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Kay S. Poulton.....

Tioga Downs

Dick Rynone <dickr@rynone.com>

Tue, Mar 4, 2014 at 6:14 PM

To: Douglas Barton <douglasbarton69@gmail.com>

Doug:

It was very good to hear from you the other day.

Just a quick note to give you and the team at Tioga Downs my vote of support for the location of the Casino here, in Tioga County, as opposed to the other suggested locations.

Tioga Downs has been a major employer in the area for the last 8 years who has continued to grow its business and is an important supporter of the surrounding communities.

I believe the location of the Casino in Tioga County would be a very important boost to a local economy which has struggled over the last several years.

I further believe the I86 corridor will continue to grow and develop over the coming years making this an integral part of its future development.

I know that Broome County is lobbying hard for this but why would we (NYS) want to spread this over a large geographical area and not concentrate its efforts in an area where the product is already growing and successful. Tioga Downs is already up and running with a proven history, why detract from this by having separate gaming locations in the Southern Tier.

Tioga Downs makes perfect sense for further development with its already successful horse track and Racino format; it would seem like this is the next logical step for Tioga Downs and gaming in the Southern Tier of NYS.

Its location in the Southern Tier of NY also plays an important role in pulling people from both NY and PA into the area; in addition to pulling more people to the upstate area while visiting the beautiful FingerLakes region that so many people come to via the I86 Thruway.

Best regards,
Dick Rynone

Support TIOGA DOWNS in becoming a FULL CASINO GAMING FACILITY

Since 2006, Tioga Downs has contributed over \$170 million in aid to EDUCATION and in the same period our organization has donated over \$1,000,000 to various nonprofit organizations.

We are ALL IN entering our 9th year in operation as the region's premier destination for gaming, racing and entertainment. We owe our long standing success to the continual support of the good people in this region; and we, in turn, take great pride in sharing this success by creating more and more winning experiences.

Letter Of Support - Tioga Downs Casino Gaming Expansion

Date: 3/26/14

**LeeAnn Tinney, Director
Tioga County Economic Development & Planning
56 Main Street
Owego, NY 13827**

Re: Support of Award of Casino License
to Tioga Downs Casino in Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of the casino facility at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility will ease the tax burden to all tax payers. In 2011, Tioga County was devastated by flooding. The losses the community and businesses endured were staggering. This expansion will secure and foster growth of our local and regional businesses.

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

.....

LeeAnn Tinney, Director
Tioga County Economic Development & Planning
56 Main Street
Owego, NY 13827

Re: Support of Award of Casino License to
Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2011, Tioga County was devastated by flooding. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Carol R. Cavataio
Sec/Treas. of Tioga Farm and Home, Inc. DBA Owego Agway & Endicott Agway
And resident of the village of Owego
