Honorable Governor Andrew Cuomo
Albany, NY

Dear Governor Cuomo:

I am a business owner in Tioga County and I am writing to you to express my thoughts regarding Tioga Downs Racino and the New York State gaming licenses.

Tioga Downs ; Jeff Gural has been a good neighbor to our local community and our county. During the 2011 flood Tioga Downs helped clean up the debris from each individual home along the River Rd area and within the Village of Nichols at NO charge. He donated a new rescue boat to the fire department and free food to people who needed a hot meal.

Broome County has many businesses and retail stores, plus Suny Binghamton and Broome Community College. All of these establishments help bring in sales tax and revenue in which help reduce property taxes and school taxes.

Tioga County DOES NOT have any large business to help with our local property and school taxes. We need this gaming license to keep Tioga Downs going. If given to Broome County, both casinos CAN NOT SURVIVE. One will have to close.

Please think about you decision, Jeff Gural advocated for proposition 1 on the November ballet. These other individuals just sat by and watched, waiting, hoping it would pass, and it did. These individuals are just riding on Tioga Downs coat tails.

TIOGA COUNTY NEEDS TIOGA DOWNS. Please consider the local businesses and local residents. We could use a boost in **OUR ECONOMY!!! JOBS, REVENUE!!**

Thank you for your time and consideration.

Sincerely,
Esther Woods

Re: Support of Award of Casino License to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. Construction of a parking facility has been started and is scheduled for completion in the spring. In addition, in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2006 Tioga Downs assisted the area residents in recovery from flood conditions without hesitation. In 2011, Tioga County was devastated by flooding and again Tioga Downs was there to assist the area residents and the municipalities. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Kelly Zimmer

Thomas F. Osiecki
President & General Manager
PO Box 509
Nichols, NY 13812

Dear Tom,

Tioga State Bank is a community bank headquartered in Spencer, NY. We operate a network of eleven offices in four counties including, Tioga, Broome, Chenung and Tompkins.

Since Tioga Downs has begun its operation, they have proven to be an excellent neighbor and corporate citizen. Their business is attractive, centrally located and easily accessed from Interstate 86. The jobs they provide offer opportunity to many of our local citizens.

Tioga Downs has been well received in our county and neighboring counties. Not only have they demonstrated the ability to operate a business in our area, they also care about the surrounding communities and their residents.

The commitment to our local communities by Tioga Downs is reinforced by the hours their employees have donated to help clean up after major flooding in 2011 and 2006. Tioga Downs was also generous with financial donations to the local community after the floods. In addition, they have provided substantial donations to local veterans, senior citizens and United Way agencies throughout the region. Many, many people in our rural county have benefited from Tioga Downs as an employer, a neighbor, and a benefactor.

Tioga Downs is one of the only economic focal points in Tioga County. Their expansion is critical to the ongoing vitality of our communities. Tioga County lacks the normal economic drivers found in other counties; there is no large medical center, no sales-tax producing retail center and no organization of higher education. The county needs to develop these economic focal points and Tioga Downs is one business that provides this to the county. Additionally, they provide over 350 local jobs which is a major benefit for many of our bedroom communities.

We endorse Tioga Downs' petition to become a casino in Central New York.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. M. Fisher'.
