Re: Support of Award of Casino License to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. Construction of a parking facility has been started and is scheduled for completion in the spring. In addition, in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2006 Tioga Downs assisted the area residents in recovery from flood conditions without hesitation. In 2011, Tioga County was devastated by flooding and again Tioga Downs was there to assist the area residents and the municipalities. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Construction of a parking facility has been started and is scheduled for completion in the spring. In addition, in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2006 Tioga Downs assisted the area residents in recovery from flood conditions without hesitation. In 2011, Tioga County was devastated by flooding and again Tioga Downs was there to assist the area residents and the municipalities. The losses the community and businesses endured were staggering.

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

Re: Support of Award of Casino License  
to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2011, Tioga County was devastated by flooding. The losses the community and businesses endured were staggering,

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

  
Similo

Add our names in support of acquiring a table game casino license from New York State.

From what we have observed, the owner of Tioga Downs, is experienced and professional in his endeavor to grow his business. He is not a "Johnny come lately", out to make a quick buck.

Our area can handle only one casino successfully.

Please note that the state of Ohio established four casinos in:

Cincinnati, Cleveland, Columbus and Toledo. Figures released by the Ohio Casino Control Commission, stated that revenues at each of Ohio's four casinos declined in December, leading to the worst statewide showing in the nine months that they were all open.

We only need one: Tioga Downs!

Re: Support of Award of Casino License to Tioga Downs, Nichols, NY

Dear Ms. Tinney:

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. Construction of a parking facility has been started and is scheduled for completion in the spring. In addition, in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. In 2006 Tioga Downs assisted the area residents in recovery from flood conditions without hesitation. In 2011, Tioga County was devastated by flooding and again Tioga Downs was there to assist the area residents and the municipalities. The losses the community and businesses endured were staggering.

Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

Sincerely,

December 17, 2013

Tioga County Tourism  
Tioga Downs

To Whom It May Concern:

I have been a citizen of Tioga County NY since I was 12 years old. My family moved to this area in 1968. I raise my 4 sons in this County and now they are raising their children.

In all the years I have lived here there has been no growth. As a matter of fact, the Waverly and Owego areas seem to have lost more stores than gained them. Owego once had a department store, Jamesway. No other towns in Tioga County even had that. I even saw the original Race Track open and quickly close, leaving the now Tioga Downs closed and lonely for decades. It was quite a gamble for Jeff Gural to open such a place.....and What A Place He Has Made!!

All the counties around us, Broome, Chemung, Tompkins in NY and Bradford County in PA, have Malls, Strip Malls and large Department stores. Broome has the Arena and the Forum and Chemung has the First Arena/Sports Center, the Clemens Center, and The Soaring Museum. Tompkins has two major Colleges and all that goes along with them. All three have Airports and many other attractions. Everyone I know goes to all of these counties to shop and find entertainment. Besides Tioga Downs, Tioga County has only village style attractions. They bring the locals, but don't bring in tourists from out of state and other counties. That kind of revenue is what Tioga County needs to boost our economy.

I really appreciate what Tioga Downs does for our Community. They offer a large variety of events at their facility to entertain people of all ages and do so at an affordable price. Because their concerts are so reasonably priced, we have attended a number of great shows.

They are Our largest tourist attraction, but Tioga County's residents could benefit so much more from the proposed expansion. Many, much needed jobs, would be added. This is why I feel it is so important for Tioga Downs to be awarded the sole casino gambling license in the Southern Tier.

Sincerely Your,  
Pamela J Jacobson

12/30/14

To all concerned:

I am writing concerning the upcoming awarding of a gaming complex in the southern tier. I think the only deserving facility is Tioga Downs Casino.

Tioga Downs has proven they have a successful operation. They have done a great job in providing a fine complex. They have been very active in the community, supporting many organizations financial grants + support.

Tioga Downs management were the only people urging the voters to approve the amendment granting casinos. They spent their own money to let people know how the casino would benefit all. They have been a great asset to our area.

Where were the other people who have since decided to apply for a license, especially Traditions, who shown undocumented, inflated plans, having to get funding - where Tioga Downs has their own finances.

Tioga Downs is now constructing a hotel, which they said they would do from the beginning. They have done this on their own while generating tax dollars to the state.

4/1/08/41

Tioga Downs has definitely shown it  
is the one to be selected

Sincerely  
Russell V. Marcus

I whole heartedly support Tioga Downs  
for the Casino license, it is so unfair  
for Traditions at the Glen, to receive the financial  
backing from the wealthy people in the  
Triple City Area when we already have a  
beautiful facilities here in Tioga County, I fear  
Politics plays too much of a role in this, we are  
as so controlled by politicians in this country  
our freedoms have been taken away from  
us

sincerely

Attention: Lee Ann Tinney

I am writing this letter of support for the Tioga Downs facility in hopes it will be awarded one of the gambling licenses in New York State.

While I live in Athens Township / Bradford County, Pennsylvania, we are located just a few miles from the New York State border. We live on the road that leads, directly, to Tioga Downs, approximately 5 miles from it. Our close proximity to the facility allows us easy access to all the events there.

Mr. Jeff Gurel has established a just race business for this area that offers employment to hundreds and entertainment to thousands. His generosity to organizations and charities goes above and beyond anyone's expectations. His future plans for the facility will only expand and enhance all that he has done for this area. He has, certainly, proven his commitment to this area and has established his presence here.

We are hopeful he will receive the license he so richly deserves so that he can continue to help this geographic area grow, economically. Besides the economic growth, Mr. Gurel has shown his compassion and generosity to the people here.

Thank you very much

Dear Ms Tenney:

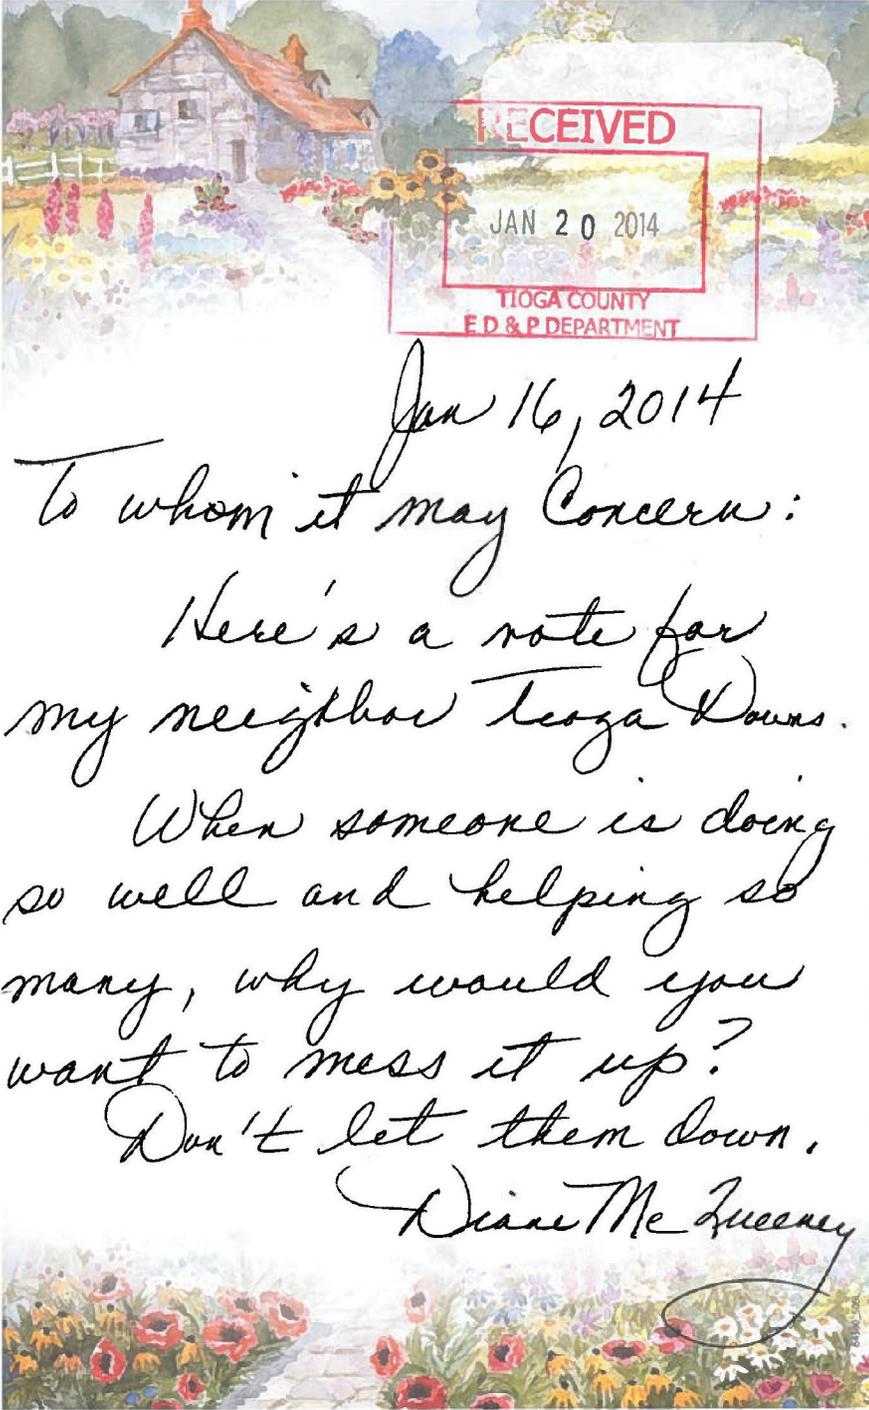

I support Tioga Downs for getting the only table game casino license awarded to the Southern Tier.

I think Tioga Downs has proved that they are a successful casino and the license should go to them not to an improper group.

I don't believe this area can support two casinos. My support goes to Tioga Downs. I don't mind the drive from Johnson City to Tioga Downs.

in favor of Tioga Downs being  
granted a casino gaming license.  
Mr. Jeff Gural has brought much  
to this area: a respectable
