## RESORTS WORLD NEW YORK Queens, New York

Located at the Aqueduct Raceway, the three-story complex required extensive site redevelopment and improvements on 64 acres, renovation of existing facilities and new construction totaling approximately 736,000 sf. The first floor houses Times Square Casino and a multi-level entertainment venue. The second floor features the Fifth Avenue Casino for high-stakes gaming and upscale dining. The third floor contains a 70,000 sf events area with a central performance area/stage. This multi-phased project also includes a climate-controlled bridge to the Aqueduct subway station and a five-level, 2,365-space parking garage with bus drop-off area.

## COSMOPOLITAN OF LAS VEGAS Las Vegas, Nevada

The Cosmopolitan of Las Vegas has 100,000 sf of casino space offering the latest technology and first-of-their-kind Casino Cabanas - part exclusive social atmosphere, part gaming. Guests in this area can view through the floor-to-ceiling glass walls and enjoy views of Las Vegas Boulevard. The new resort and casino features two hotel towers containing approximately 3,000 rooms, convention and conference space, exclusive and brand-name retail boutiques, fine dining restaurants, entertainment facilities, spa, salon, fitness center, nightclubs, 2,000-seat theater, five-acre pool deck, and 3,800-space underground parking structure.

## ISLE OF CAPRI – CAPE GIRARDEAU Cape Girardeau, Missouri

This project consists of a 160,000 sf casino complex and a +1,000-space surface parking lot. Amenities include a buffet, casual restaurant, express food venue, and an entertainment bar with an indoor-outdoor deck. Back-of-house offices and support facilities, a multi-function room and structural provisions for a future +200-room hotel are also included in the project.

# Gaming Experience

---

## CITYCENTER

Las Vegas, Nevada

Urban destination resort situated on 67 acres features ARIA, a 61-story, 4,004-room gaming resort; luxury non-gaming hotels including Mandarin Oriental, Las Vegas and Vdara Hotel & Spa; Veer Towers, the development's only strictly residential buildings; and Crystals, a 500,000 sf retail and entertainment district.

## CALDER CASINO AND RACE COURSE

Miami Gardens, Florida

The Calder Casino project is a 104,000 sf single-story casino facility with a porte cochere entrance. The facility includes 1,225 slot machines and features a bar with VIP area, restaurant, entertainment area, a full-service kitchen and buffet, high stakes gaming-slot area, and restrooms. The project also includes associated surveillance, security and support areas, as well as revamped parking and sitework.

## RIVERS CASINO

Pittsburgh, Pennsylvania

The new Rivers Casino features a 400,000 sf gaming and entertainment facility including 125,000 sf of gaming space, a new 3,800-car, nine-story parking garage, two full-service restaurants, a buffet restaurant, several lounges and two retail venues. In addition, patrons can use an outdoor riverfront amphitheater which offers a spectacular view of downtown Pittsburgh.

# Gaming Experience

---

## SUGARHOUSE CASINO - PHASE I Philadelphia, Pennsylvania

The first phase of the SugarHouse Casino project consisted of a 120,000 sf, 1,600 slot and 40 table gaming facility. The project also included the construction of a public promenade which provides continuous access to the Delaware River waterfront.

## BOOMTOWN CASINO Biloxi, Mississippi

An “Old West” theme greets the visitors to Boomtown Casino. The western town façade with a porte cochere grand entrance and 80-ft clock tower consists of structural steel super structure, metal stud walls with gypsum sheathing, and an insulated exterior finish system. The wharf-based facilities include a family entertainment center featuring a “Dyna-motion Theatre,” western cabaret and administration offices. Generous use of wood for exterior windows, interior aisles, and molding give the building an authentic western appearance. Decorative, hand-painted murals are used throughout the interior.

## ENCORE AT WYNN LAS VEGAS Las Vegas, Nevada

The 53-story Encore at Wynn Las Vegas includes 2,034 guest rooms, a 72,000 sf casino with slots, poker and table games, and five restaurants, high-end retail stores, an ultra-luxurious spa, convention facilities, pools, and parking structure.

# Gaming Experience

---

## PALACE CASINO Biloxi, Mississippi

The project included the construction of the original casino, then later, an expansion and remodel. The casino is housed on a three-story barge and has more than 85,000 sf of operational space. With 1,000 slots and approximately 40 table games, the resort also hosts a fitness center and full-service spa and salon. Four restaurants were constructed including a gourmet, buffet, grille and café. A recent addition included the Palace SportsZone where players can view more than 50 high definition televisions and a 14-ft video wall, all broadcasting sports channels. Players can watch from the luxury of VIP seating or from the 400 new slot machines included in this addition.

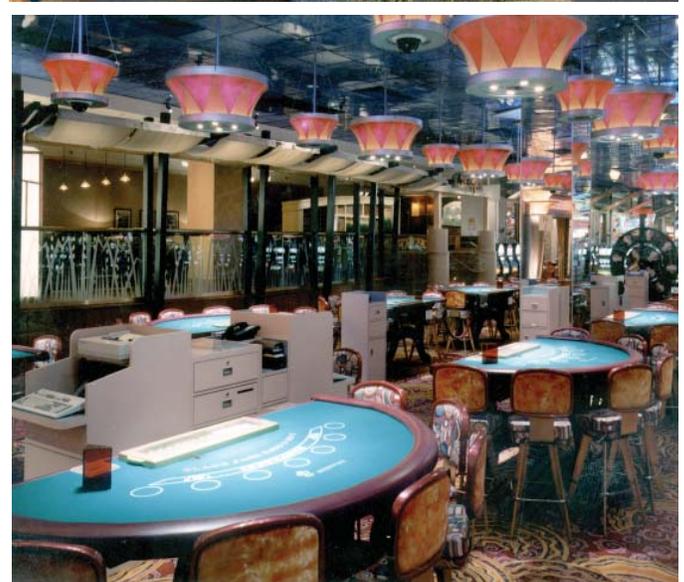

## VEE QUIVA CASINO AND HOTEL Laveen, Arizona

The project includes a 178,000 sf, single-story structure with 70,000 sf of gaming and five restaurants, in addition to a three-story, 90-room hotel and exterior pool area. Also included is a cast-in-place, four-story, 1,000-car parking garage, as well as landscaping and site improvements for the 70-acre property.

## RESORTS HOTEL AND CASINO Atlantic City, New Jersey

Renovations and modernization of existing 500-room hotel, and the complete renovation and theming of existing casino spaces, the design and construction of three new restaurants, a new high-roller gaming lounge, baccarat pit, new hotel front desk and lobby area, new entrance road and porte cochere, and modifications and theming of the exterior boardwalk facade.

---

## IP CASINO RESORT Biloxi, Mississippi

After damage from Hurricane Katrina, work included reconstructing the pavilion, player's club, hotel VIP registration, retail, valet, baggage and back-of-house offices based on a new design. It also included demolition of the existing buffet on the second level and complete reconstruction. In addition, all three levels of the casino were remodeled and new finishes installed. The spa, three floors of suites and restaurants were also remodeled. Additions to the property included a state-of-the-art circle bar, a sports bar, a casual restaurant, and a steak house.

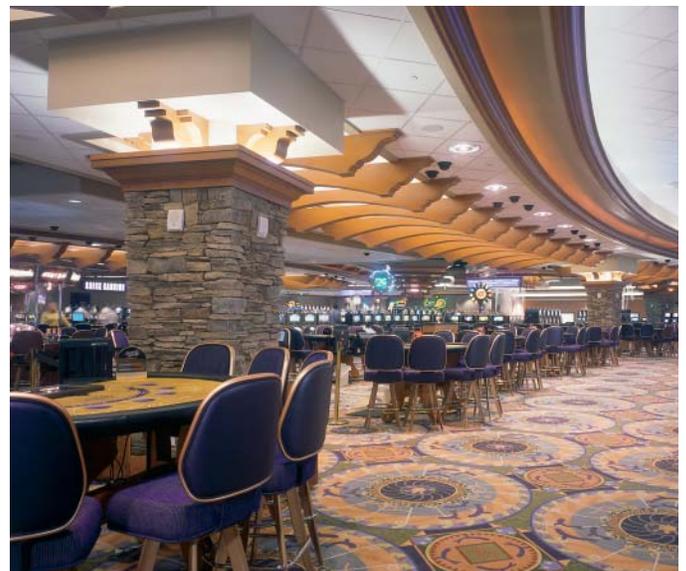

## MOHEGAN SUN AT POCONO DOWNS Wilkes Barre, Pennsylvania

The first phase included renovations and additions to the existing grandstand and clubhouse. The program for the new 392,000 sf casino offers a complete entertainment experience including slot machines, food court, several bars and lounges, nightclub, a "Kid's Quest" center, retail space, new parking for 4,100 cars and enhanced employee services area.

## CHUMASH CASINO RESORT Santa Ynez, California

The Chumash Casino project was a design-build effort constructed over two phases. The first phase consisted of a casino and valet parking structure. The casino has three levels and houses 2,000 slot machines, poker and bingo space, a fine dining area, buffet style restaurant, coffee shop and deli, back-of-house functions, as well as outdoor dining facilities.

# Gaming Experience

---

## RED ROCK CASINO · RESORT · SPA PHASE I Las Vegas, Nevada

Phase I includes a 391,000 sf, 17-story, 415-room hotel tower with spa and salon, and a three-level low-rise containing an 87,000 sf casino, banquet and meeting rooms, restaurants, back-of-house space, three-acre pool area and central plant.

## HARRAH'S LOUISIANA DOWNS Shreveport, Louisiana

This existing racetrack facility was purchased by Harrah's and converted into a "Racino." Half of the first floor was renovated to house slot machines and video poker with 27,000 sf of gaming floor space providing 905 slot-video poker games, as well as concession areas. The balance of Phase I included the renovation of the existing facility, as well as the surrounding grounds including resurfacing parking lots, additional valet parking areas, new winner's circle and paddock areas, refurbished groomsman quarters and jockey areas, work to barns, stables and horse stalls, and a new main entry boulevard. Phase II included a new 150,000 sf gaming facility adjoining the racetrack with 1,500 gaming machines and three restaurants.

## SEMINOLE HARD ROCK HOTEL AND CASINO Tampa, Florida

The Hard Rock Hotel and Casino includes 90,000 sf of gaming, complete with 1,800 gaming machines, 32 poker tables, and a bingo gallery large enough to accommodate 800 patrons. The new casino was delivered in two phases as the existing casino continued operations 24 hours a day.

# Gaming Experience

---

## CAESARS PALACE Las Vegas, Nevada

20,000 sf high limit gaming space; three high limit salons with private buffet, shower, and sleep facilities; and main cage and money handling area. A 40,000 sf casino was remodeled where the new Colosseum Showroom ties into old casino, and the race and sports book area.

## RESORTS EXPANSION AND ENHANCEMENT PROJECT Atlantic City, New Jersey

The expansion includes a grand lobby off a new porte cochere leading guests into a new 26,000 sf casino. Private VIP check-in, private gaming room and lounge for hotel guests are included in the new space. A new 399-room, 28-story hotel tower includes 42 luxury suites.

## TROPICANA CASINO & RESORT Atlantic City, New Jersey

21-story, 628-room hotel tower, interior resort renovations, casino and casino lounge renovations, and high finish super suites.

# Gaming Experience

---

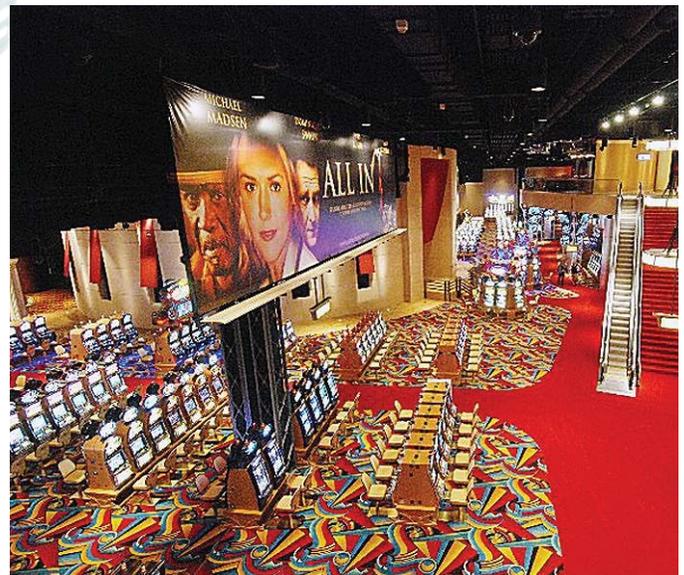

## RED HAWK CASINO Placerville, California

In the rugged terrain of the Sierra foothills, this new three-level, 280,000 sf, full-service gaming facility with 88,000 sf of gaming floor features 2,000 slot machines, 75 gaming tables, restaurants, bars, a childcare facility and arcade. Additional construction included a wastewater treatment plant, stormwater utilities, water storage tanks and a 3,100-space parking garage.

## HOLLYWOOD CASINO AT PENN NATIONAL Grantville, Pennsylvania

This state-of-the-art integrated racing and gaming facility consists of a 330,000 sf casino, a 158,000 sf racing operation and a 774,000 sf parking garage. The amenities include food court with restaurants, a fine dining restaurant, sports bar, track side dining and various concessions, and entertainment, bar and lounge areas.

## MOHEGAN SUN PROJECT HORIZON, CASINO OF THE WIND Uncasville, Connecticut

New 64,000 sf casino and entertainment center addition that includes a high-end poker room, as well as the addition of more than 900 slot machines with integral high limit, players club and table games. The addition has an array of impressive ceiling and wall elements, specialty sculptural and lighting features, as well as a major water display.

# Gaming Experience

---

## VIEJAS CASINO NORTH EXPANSION Alpine, California

New 50,000 sf casino including both gaming and back-of-house space with the second floor containing a main bar area, high limit gaming area, high limit restrooms, elevated platforms in the lounge area and a full-service kitchen.

## PALMS CASINO RESORT Las Vegas, Nevada

The resort includes a 40-story hotel tower containing 470 guest rooms, 95,000 sf casino, restaurants, 1,200-seat multi-use entertainment venue, meeting rooms, a 14-theater complex with stadium-style seating, spa and salon, pool, outdoor recreation and two parking garages accommodating 2,092 vehicles.

## MORONGO CASINO, RESORT AND SPA Cabazon, California

New 680,000 sf hotel and casino resort including a 27-story hotel tower containing 310 rooms; 113,000 sf of themed casino space, meeting space, spa, restaurant, back-of-house space and a pool complex; a five-level, 1,780-space parking garage; and tenant improvements including a steak house, nightclub, tower lounge, restaurant and back-of-house space.

# Gaming Experience

---

## COYOTE KATE'S CASINO, BALLY'S PARK PLACE Atlantic City, New Jersey

This project consisted of a 24,000 sf western victorian themed casino floor and additional retail. The 15,000 sf third level provides an expanded meeting room facility for Caesars and houses the mechanical room containing the air handling units servicing the new casino.

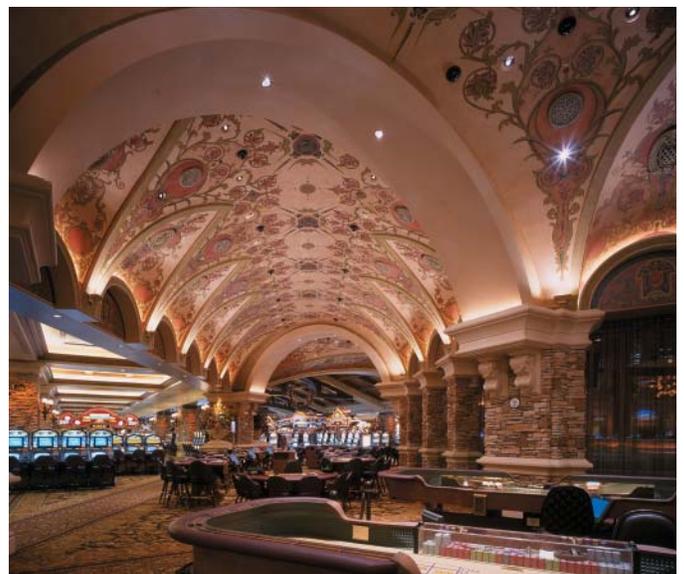

## GRATON RANCHERIA CASINO Rohnert Park, California

This new 365,000 sf casino resort, located on the Tribe's reservation near Rohnert Park, California includes a 135,000 sf casino with approximately 3,000 slot machines and table games, entertainment venues, high-end restaurants, and a food court.

## GREEN VALLEY RANCH Henderson, Nevada

The complex contains 201 hotel rooms, including 45 mini-suites and a deluxe presidential suite, casino with slot machines, gaming tables and a 170-seat race and sports book, convention and meeting space, upscale restaurants, nightclubs and a 10-screen stadium seat Regal Cinema.

# Gaming Experience

---

## GREEN VALLEY RANCH EXPANSION Henderson, Nevada

The expansion and renovation to the existing Green Valley Ranch resort added 262 guest rooms, meeting and event space, new baccarat area, new luxurious suites, a day spa with treatment rooms, private cabanas, and steam room, and a 260-car parking garage.

## MARGARITAVILLE CASINO AND RESTAURANT Biloxi, Mississippi

The project includes a 25,300 sf casino with a Volcano Bar, a Margaritaville restaurant with seating indoors and on an outdoor dining deck, a buffet restaurant, a 17,000 sf events center, 1,220 sf of retail space, and an outdoor entertainment area and a marina with 10 permanent slips and 27 transient slips. Also included is a 984-car parking lot.

## PECHANGA RESORT AND CASINO Temecula, California

Hotel-casino and conference center that included a 13-story, 522-room hotel tower, 88,000 sf casino, convention space, restaurants, a 1,200-seat theater-style showroom, retail, a bingo hall, pool and spa facilities, and a central plant.

# Gaming Experience

## GRAND CASINO RESORT Gulfport, Mississippi

Upon opening, Grand Casino Gulfport was the largest floating casino in the world. The three-story multi-function building includes gaming areas, restaurants, child care facilities, lounges and retail space. A 1,000-car, four-story garage is attached. The Gulf Breeze Hotel is an 18-story, 400-room hotel which includes banquet and convention facilities. The Grand Oasis is a seven-story, 594-room hotel which is connected to the casino and Gulf Breeze Hotel by an enclosed, climate-controlled sky bridge. It features a health spa, meeting rooms and retail area. This project also includes a three-acre themed water park recreation area with a cabana and restaurant.

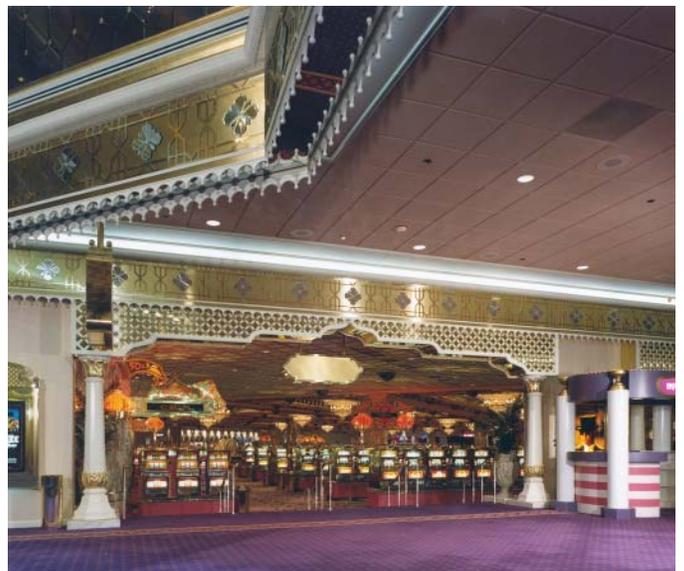

## ISLAND VIEW CASINO RESORT Gulfport, Mississippi

Phase I of this new casino resort featured the renovation of the six-story, 562-room hotel with the addition of a 30,000 sf casino and 350-seat buffet restaurant. Phase II included a 100,000 sf expansion to the existing structure to allow for an additional 50,000 sf of casino space, restaurants, and several bars and lounges. A new four-story, 658-space parking garage was also added to this property.

## TAJ MAHAL CASINO RESORT Atlantic City, New Jersey

The 42-story hotel tower houses 1,250 guest rooms and a private club. Six structures that function as one include the 120,000 sf casino complex, state-of-the-art meeting and exhibition space including ballrooms and an 80,000 sf arena. The complex also has a selection of 10 different themed restaurants.

# Gaming Experience

---

## SAN MANUEL INDIAN BINGO AND CASINO Highland, California

New 480,000 sf of gaming space includes casino, bingo hall, specialty restaurants, buffet, sports bar, back-of-house, and central plant; a pedestrian bridge with moving walkways; and a seven-story, 1,190-space parking structure and a 450-space below-grade valet garage.

## MOHEGAN SUN EXPANSION Uncasville, Connecticut

The Mohegan Sun Resort expansion adds 4.9 million sf and many new program elements and amenities including a 10,000-seat multi-purpose arena; 115,000 sf Casino of the Sky; three-level Wombi Rock; the world's largest planetarium dome; two-level retail and dining pavilion; a waterfall (Taughannick Falls); and 34-story luxury hotel.

## COCONUT CREEK CASINO PARKING GARAGE AND CASINO EXPANSION Coconut Creek, Florida

This project consists of a 45,700 sf addition to the gaming floor area while renovating the existing 40,000 sf casino, as well as a new seven-level, 1,250,000 sf parking garage. The garage portion of the project will have a LEED Silver certification.

# Gaming Experience

---

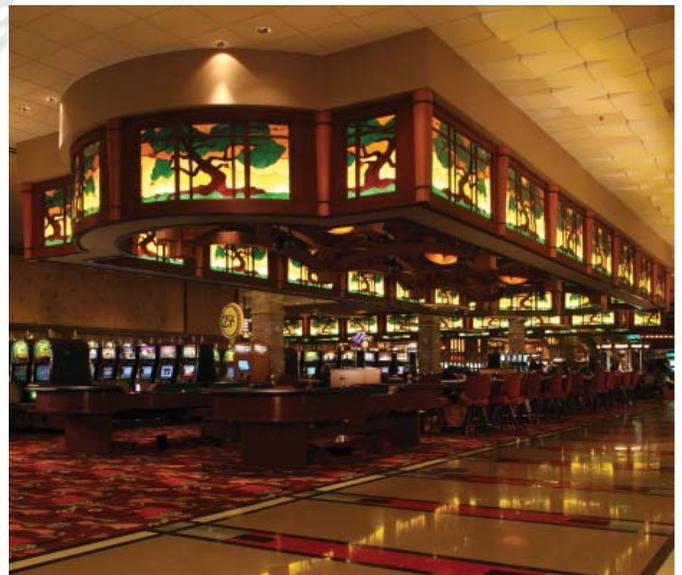

## THUNDER VALLEY CASINO Lincoln, California

New 271,775 sf themed gaming and entertainment facility includes slot machines, table games, high limit and VIP gaming areas, 650-seat bingo hall, 1,200-seat entertainment venue, center pit bar, sports bar, buffet, food court, wastewater treatment plant, central plant, fire station, and 3,058-space parking lot.

## PECHANGA RESORT AND CASINO PHASE II Temecula, California

The expansion consisted of two main elements - a three-level, 415,000 sf casino expansion, and a five-level, 3,200-space parking garage. The casino features additional gaming space including high limit gaming, a two-level sports restaurant, nightclub, beacon bar that opens to the roof, a multi-cultural food court, and a 1,000-space, below-grade valet parking facility.

## MGM GRAND AT FOXWOODS Mashantucket, Connecticut

Located at Foxwoods Resort Casino, the project includes a new 30-story, 826-room hotel tower with a 21,000 sf spa, 4,000-seat theater, 115,000 sf of convention space including a 50,000 sf ballroom and junior ballroom, 50,000 sf of gaming, restaurants, retail stores and a one million sf, precast parking garage for 2,900 cars.

# Gaming Experience

---

## GRAND CASINO RESORT Biloxi, Mississippi

A southern elegance theme was used throughout this three-story casino which includes restaurants, a gift shop, teen arcade, and child care area. The Bay View Hotel is a 14-story, 584-room luxury hotel with a health spa and a pool recreation plaza. It is adjacent to a convention and meeting center, and a six-story precast parking garage with 863 spaces. This complex is connected to the Grand Casino Biloxi by an enclosed climate-controlled sky-bridge.

## SEMINOLE HARD ROCK HOTEL AND CASINO Hollywood, Florida

The destination resort includes a 130,000 sf casino with 2,100 gaming machines, 50 poker tables, and a bingo gallery. Also part of the resort is a 12-story hotel, Hard Rock Cafe, spa, exercise room, six-acre lagoon style pool, restaurants and meeting room space.

## GRAND CASINO RESORT Tunica, Mississippi

This 340,000 sf gaming complex is the world's largest dockside casino. The facility includes 150,000 sf of gaming area, seven restaurants, and two live entertainment barges. The resort also includes three luxury hotels, a convention center, Kids Quest and a golf clubhouse. The seven-story, 200-room luxury hotel located adjacent to the casino features 70 luxury suites, and an indoor swimming pool and health spa. The Grand Veranda is a six-story, 600-room luxury hotel located in the heart of this 2,200-acre resort. The Grand Terrace Hotel is a seven-story luxury hotel which includes 594 rooms, spa along with a pool, meetings rooms and a ballroom.

# Gaming Experience

---

## MGM TEMPORARY CASINO Detroit, Michigan

The 425,000 sf project turned two buildings and garage into a first class destination casino. The art deco themed facility included VIP and cocktail lounges, 75,000 sf casino on two levels with 2,351 slot machines and 83 gaming tables, 2,200-space, nine-deck parking garage, and 1,700-space offsite parking facility.

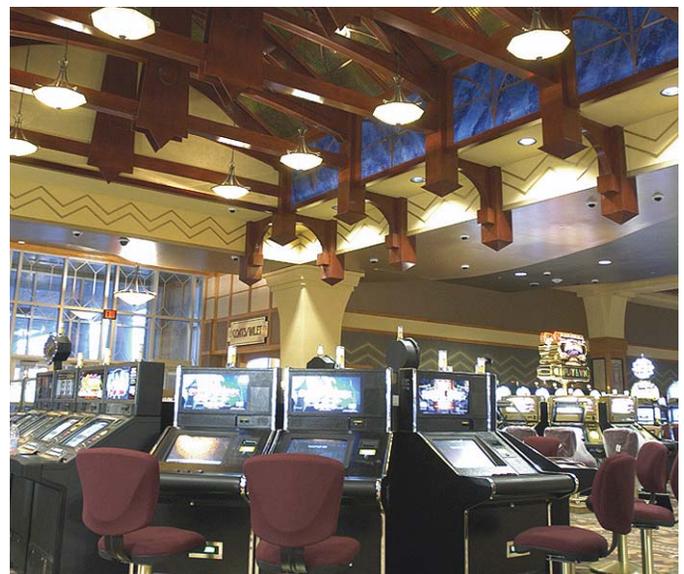

## HARRAH'S GRAND CASINO AND HOTEL Biloxi, Mississippi

When Hurricane Katrina hit the Mississippi Gulf Coast, the Grand Casino Biloxi Resort took a direct hit. As a result, an extensive renovation was made to the remaining hotel and convention center. The 14-story, 494-room luxury hotel now has a different look and feel with new color schemes which alternate every other floor. Existing convention space was converted into a 30,000 sf gaming facility which includes 800 slots and 25 table games. New restaurants include LB's Steakhouse, a 300-seat buffet, an Asian noodle bar, and a Starbucks. The Bellissimo Spa and Salon received new tile and floor covering throughout.

## SARATOGA RACING AND GAMING EXPANSION Saratoga, New York

The 83,400 sf expansion and renovation project includes new construction and the renovation of 33,000 sf beneath the existing grandstand. The new gaming floor boasts over 1,300 video gaming machines, bar and food court, a gift shop and a variety of guest services. Work also included renovation of the simulcast area and support space in the basement.

## About Tutor Perini Corporation

Tutor Perini Corporation is a leading building and civil construction company offering diversified general contracting and design-build services to private clients and public agencies. The Company has provided construction services since 1894 and has established a strong reputation within our markets by executing large complex projects on time and within budget while adhering to strict quality control measures.

Tutor Perini Corporation offers general contracting, preconstruction planning and comprehensive project management services, including the planning and scheduling of the manpower, equipment, materials and subcontractors required for a project. We also offer self-performed construction services including excavation, concrete forming and placement, steel erection, electrical and mechanical services, plumbing and HVAC.

Core competencies and resources enable the Tutor Perini Building Group to meet the needs of specialized niche markets. Our building operations focus on large, complex projects with aggressive schedules in the sports, hospitality and gaming, transportation, healthcare, education, corrections and government markets.

The Building Group's Operations include Anderson Companies, James A. Cummings, Inc., Keating Building Company, Rudolph and Sletten, Inc., and Tutor Perini Building Corp. Prior to September 2008, the building entities were wholly-owned subsidiaries of Perini Corporation, a 118-year-old publicly held company. On September 8, 2008, Perini Corporation completed a merger with Tutor-Saliba Corporation. Today, Tutor Perini Corporation is traded on the New York Stock Exchange. Capitalizing on core strengths, Tutor Perini provides the individual building companies enhanced opportunities for growth through increased size, scale and management capabilities; immediate access to multiple geographic regions; and increased bonding capacity.
