Table with 2 columns: HORSEMEN and NON-HORSEMEN. Lists various license categories and their fees, such as OWNER ORIGINAL (\$100), TRACK MANAGEMENT (\$20), etc.

Note: An Original Owner is defined as an Owner who was never licensed as an owner before or who has not been licensed as an Owner in New York State at any time in the five (5) years preceding this application.

Please note: All licenses expire on the licensee's birthday.

The Gaming Commission has given consideration to those whose date of birth is less than six months from the date of application. In those cases, the license term may be extended to your next birthday by payment of an additional fifty percent fee. This option is available only during the initial application period.

There are ANNUAL fees. RENEWAL applicants are eligible for multi-year (2 or 3) licenses. To apply for a multi-year license circle the number of years desired on your application and multiply your annual fee accordingly. Please note that all fees are charged SEPARATELY.

Reciprocity of Disciplinary Actions

Pursuant to Section 912 of the Racing, Pari-Mutuel, Wagering and Breeding Law, the Gaming Commission is required to recognize and enforce all license denials, suspensions and revocations

imposed by racing and gambling authorities of other jurisdictions, including states, U.S. territories, and Canadian provinces. A licensee may apply for a hearing and may show cause as to why the penalty should not be enforced in NY. Application for a hearing does not create an automatic right to a hearing or stay. The grant of such hearing or stay is based upon the discretion of the Board. The Application for Hearing form can be obtained at each Gaming Commission Track Office or by contacting the Main Licensing Office at (518) 388-4000.
