Having appealed, a stay of the license suspension or revocation is hereby granted; however, Commission counsel may make a motion for the stay to be terminated in the event that the appeal hearing is not completed within 90 days of this ruling. If the stay is terminated because of an unreasonable delay in the completion of the hearing, then the license suspension or revocation would begin and run until the appeal hearing is completed. The licensee is also hereby granted a separate stay that will begin only after the appeal hearing is completed. This second stay will terminate when the Commission issues its final agency action (e.g., finding and order).
